Largest Aircraft to Operate from this Area							

The applicant hereby requests that an inspection be made of the above described proposed landing area site, and that upon licensing the applicant certifies that this landing area will be operated and maintained in accordance with Minnesota Statutes, Chapter 360, and Aeronautics Rules, Chapter 8800.

Upon inspection and final approval, the following fee is required: (Make checks payable to "Treasurer, State of Minnesota")

Private/Restricted......\$15.00 per year or \$40.00 for three years Only persons authorized by the owner may land at this airport. Commercial operations at this airport are restricted per the requirements of Aeronautics Rules 8800.3100 and 8800.3200.

Personal Use......\$15.00 per year or \$40.00 for three years This airport is for the personal use of the owner of the airport. The public use of this airport shall not be invited, permitted or tolerated. Commercial operations at this airport are restricted per the requirements of Aeronautics Rule 8800.2200. This airport shall not be displayed on any chart for public distribution.

Please provide a sketch showing the layout of the landing area and any buildings, towers, wires, or trees which limit the flight paths in and out of the area on the enclosed Landing Area Location Form.
