20 Year Total Estimated Cost: \$ 2,619,624

Notes: Data provided is for system planning purposes and shall not be used to justify individual improvement projects.
Project with "✓" in SASP and CIP column identified as need from CIP and system plan. Cost based on higher planned value.
Projects with "✓" in CIP column are not system plan recommendation but are identified as short term need from airport's 2012-2017 CIP from which cost was obtained.
