RE: Governor's Advisory Council on Connected and Automated Vehicles Executive Report

Dear Governor and Legislators:

MnDOT is pleased to present the Minnesota Connected and Automated Vehicles Executive Report to the Governor and Minnesota legislature.

This report fulfills the requirements outlined in [Executive Order 18-04](#). The CAV Executive Report includes recommended changes to statutes, rules and policies in the areas of:

- Transportation infrastructure
- Cyber security and data privacy standards
- Vehicle registration, driver training, licensing, insurance and traffic regulations
- Promotion of economic development, business opportunities and workforce preparation
- Accessibility and equity for all Minnesotans, with a particular focus on rural communities, elderly Minnesotans, Minnesotans with disabilities, low-income communities, communities of color and tribal nations.

The Advisory Council also prepared information for the governor and legislature on the impacts CAV will have on improving the quality of life of Minnesotans, current state and national CAV activities, and a summary of the public engagement process.

Please contact Jay Hietpas at [jay.hietpas@state.mn.us](mailto:jay.hietpas@state.mn.us) with any questions.

Sincerely,

Charles A. Zelle  
Commissioner of Transportation  
Co-Chair, CAV Advisory Council
