Are there other goals the Council should focus on?

No	No more	N
No	No	No
No	Safe Transportation System may nit be reflected in goals and values.	No

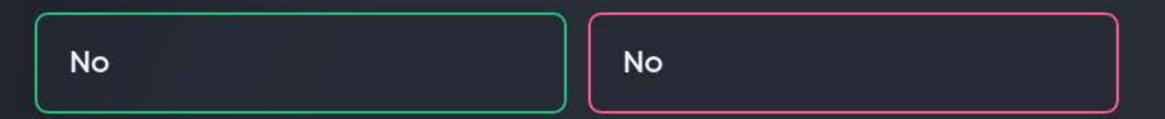

Mentimeter

o other goals....at this time.

Are there other goals the Council should focus on?

To what extent do you support each shared value?

Equity: Advance policies that promote transportation equity.

Mobility and accessibility: Promote inclusive policies that meet the needs of all users.

Trust: Uphold public interest with clarity and transparency. Understand community concerns about CAV and incorporate feedback into public policy.

Public Health and Environment: Promote active transportation and healthy communities. Advance technology and policy that reduce environmental

Multi-Modal Efficiency: Support transit, freight and other modes. Guard against increased congestion.

Readiness: Prepare our workforce and businesses for the changes that technology will bring. Test and pilot technologies to ensure they meet our needs.

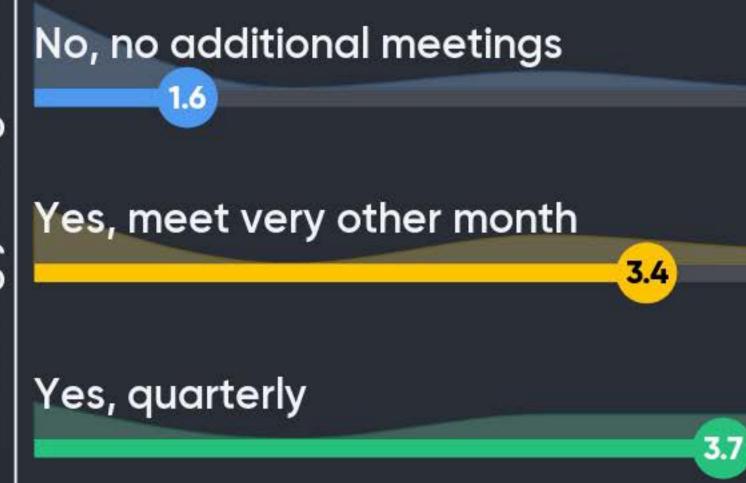

7.9

Are you interested in continuing to meet past May?

Strongly disagree

Mentimeter

Strongly agree

What additional topics would you like to discuss at future meetings?

last mile and cav
