

Governor's Advisory Council on Connected and Automated Vehicles

Agenda

September 15, 2021

Learn about Cavnue's infrastructure investment model and CAV-X project updates

1. **10:00 Welcome** – *Commissioner Margaret Anderson Kelliher and Phil Magney, Council Co-Chairs*
2. **10:15 Cavnue Presentation** – Tyler Duvall, CEO of [Cavnue](#), will present on their work designing the physical, digital, coordination, and operational infrastructure to accelerate and realize the full potential of CAV to make roads safer, less congested, shared, and sustainable. Their current work includes undertaking a planning process to inform the development of a first-of-its-kind connected corridor in southeast Michigan.
3. **11:30 Minnesota CAV Updates** – MnDOT CAV-X Office to provide updates on CAV projects happening throughout Minnesota, including the launch of the Med City Mover automated shuttle in Rochester.
4. **12:10 Public Comment**
5. **12:20 Closing**

To request an ASL or foreign language interpreter or other reasonable accommodations for a [MnDOT public meeting](#), email your request to ADArequest.dot@state.mn.us
