

35W@94: Downtown to Crosstown Project Progress Report

Contract Amount and DBE Commitment

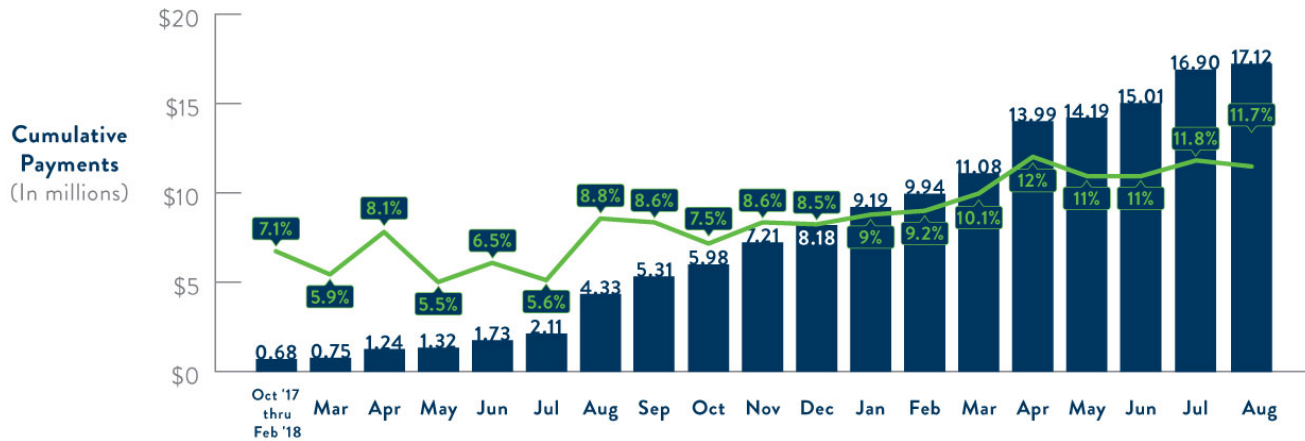

The total contract amount for this project is \$239,530,270.31. Of this amount, \$38,722,954.46 or 16.2% is committed to Disadvantaged Business Enterprises (DBEs). The remaining \$200,807,335.42 is committed to the prime contractor and other non-DBE subcontractors.

Contract Dollars Paid to Date

As of August 31, 2019, the total dollar amount of the contract paid to the prime contractor is \$146,938,426.48. The prime contractor has paid \$17,127,923.37 or 11.7% to DBEs.

Cumulative Payments to DBEs FY2018

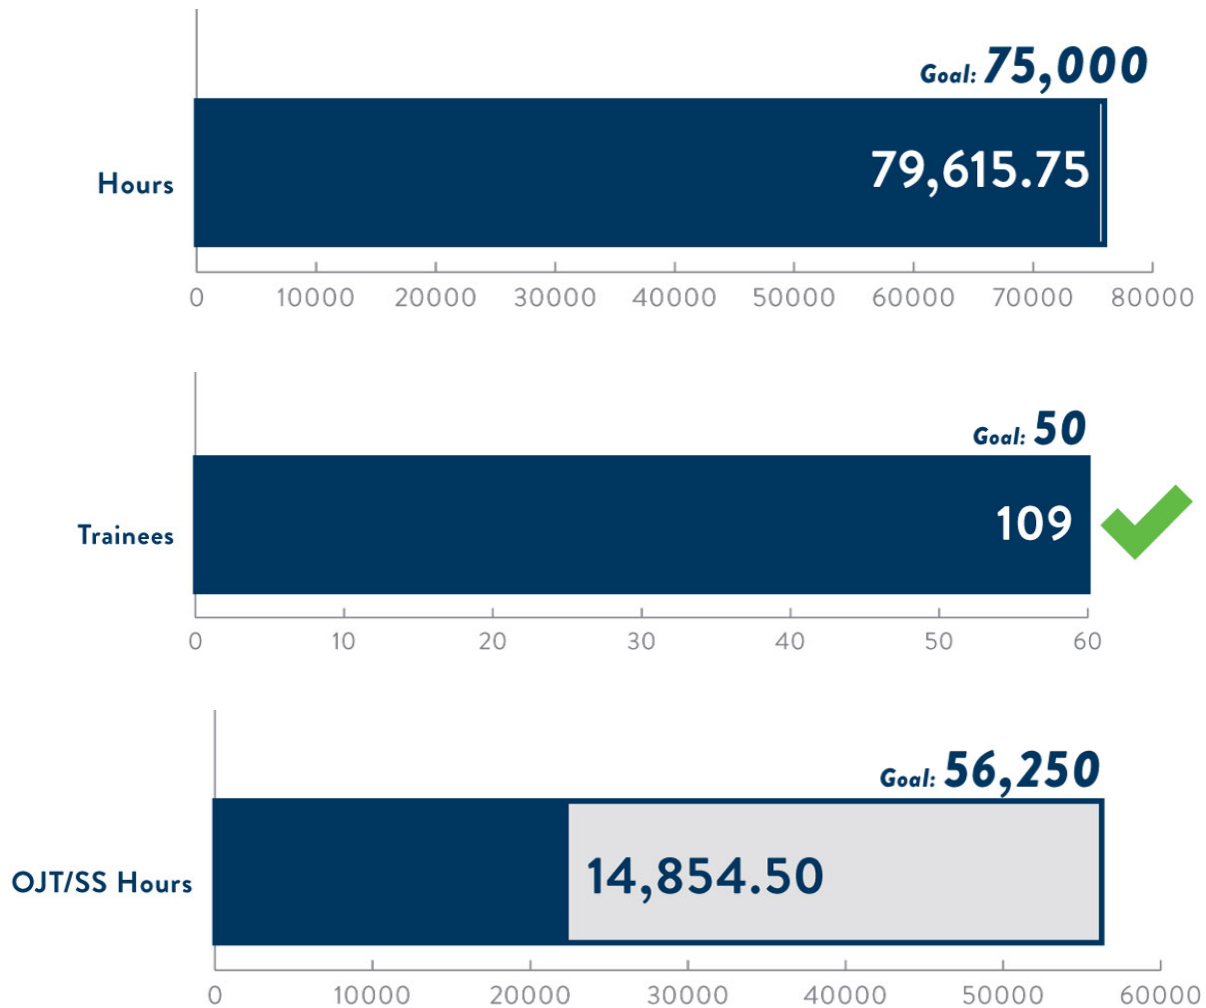

As of August 2019, the dollar amount paid to date to DBEs was \$17,127,923.37 or 11.7%. As of July 2019, the dollar amount paid to date to DBEs was \$16,896,078.33 or 11.8%. As of June 2019, the dollar amount paid to date to DBEs was \$15,006,014.27 or 11%. As of May 2019, the dollar amount paid to date to DBEs was \$14,188,283.95 or 11%. As of April 2019, the dollar amount paid to date to DBEs was \$13,993,552.71 or 12%. As of March 2019, the dollar amount paid to date to DBEs was \$11,079,629.70 or 10.1%. As of February 2019, the dollar amount paid to date to DBEs was \$9,937,495.47 or 9.2%. As of January 2019, the dollar amount paid to date to DBEs was \$9,187,342.29 or 9%. As of December 2018, the dollar amount paid to date to DBEs was \$8,176,518.67 or 8.5%. As of November 2018, the dollar amount paid to date to DBEs was \$7,210,716.65 or 8.6%. As of October 2018, the dollar amount paid to date to DBEs was \$5,982,904.41 or 7.5%. In September 2018, the dollar amount paid to date to DBEs was \$5,304,734 or 8.6%. In August 2018, the dollar amount paid to date to DBEs was \$4,325,373.05 or 8.8%. In July 2018, the dollar amount paid to date to DBEs was \$2,109,459.73 or 5.6%. In June 2018, the dollar amount paid to date to DBEs was \$1,726,862.57 or 5.6%. In May 2018, the dollar amount paid to date to DBEs was \$1,322,932.08 or 5.5%. In April 2018, the dollar amount paid to date to DBEs was \$1,244,302.90 or 8.1%. In March 2018, the dollar amount paid to date to DBEs was \$752,906.59 or 5.9%. From October 2017 to February 2018, the amount paid to date to DBEs was \$680,576.84 or 7.1%.

Workforce Percentages

The Workforce Percentages graph above illustrates trend of the percentage of hours worked on this project by women and people of color. The goals for this project are to achieve 6.9% of project hours worked by women and 32% worked by people of color. As of March 23, 2018, women had worked 4.10% and people of color had worked 21.8% of the hours on the project. As of April 22, 2018, women had worked 4.5% and people of color had worked 22.8% of the hours on the project. As of May 22, 2018, women had worked 4.8% and people of color had worked 23.10 of the hours on the project. As of June 19, 2018, women had worked 5.2% and people of color had worked 24.8% of the hours on the project. As of July 31, 2018, women had worked 6.1% and people of color had worked 26.1% of the hours on the project. As of August 31, 2018, women had worked 6.4% and people of color had worked 27.4% of the hours on the project. As of September 25, 2018, women had worked 6.6% and people of color had worked 28.0% of the hours on the project. As of October 24, 2018, women had worked 6.9% and people of color had worked 28.3% of the hours on the project. As of November 26, 2018, women had worked 7.2% and people of color had worked 28.8% of the hours on the project. As of December 27, 2018, women had worked 7.2% and people of color had worked 28.8% of the hours on the project. As of January 29, 2019, women had worked 7.1% and people of color had worked 28.7% of the hours on the project. As of February 26, 2019, women had worked 7.1% and people of color had worked 28.8% of the hours on the project. As of March 27, 2019, women had worked 7.0% and people of color had worked 28.8% of the hours on the project. As of April 30, 2019, women had worked 7.2% and people of color had worked 28.9% of the hours on the project. As of May 29, 2019, women had worked 7.2% and people of color had worked 28.8% of the hours on the project. As of June 29, 2019, women had worked 7.4% and people of color had worked 28.8% of the hours on the project. As of July 31, 2019, women had worked 7.5% and people of color had worked 28.9% of the hours on the project. As of August 31, 2019, women had worked 7.7% and people of color had worked 29.0% of the hours on the project. On-the-Job Training

The progress charts above illustrate the number of On-the-Job Training (OJT) trainees working on this project, the number of hours worked by those trainees, and the number of hours worked by trainees who graduated from a MnDOT-sponsored training program. The OJT goal for this project is 50 trainees and 75,000 hours, with 56,250 of those hours worked by MnDOT-sponsored training program graduates. As of August 31, 2018, 61 trainees have worked a total of 18,123.50 hours. Of those hours, 3,027 have been worked by trainees who graduated from a MnDOT-sponsored training program. As of September 25, 2018, 67 trainees have worked a total of 24,900.00 hours. Of those hours, 4,048.50 have been worked by trainees who graduated from a MnDOT-sponsored training program. As of October 24, 2018, 75 trainees have worked a total of 31,467 hours. Of those hours, 5,430.50 have been worked by trainees who graduated from a MnDOT-sponsored training program. As of November 26, 2018, 82 trainees have worked a total of 39,964.50. Of those hours, 6,450.5 have been worked by trainees who graduated from a MnDOT-sponsored training program. As of December 27, 2018, 85 trainees have worked a total of 46,907 hours. Of those hours, 8,469.50 have been worked by trainees who graduated from a MnDOT-sponsored training program. January 29, 2019, 86 trainees have worked a total of 48,963.50 hours. Of those hours, 8,818 have been worked by trainees who graduated from a MnDOT-sponsored training program. February 26, 2019, 87 trainees have worked a total of 50,710.50 hours. Of those hours, 8,945 have been worked by trainees who graduated from a MnDOT-sponsored training program. March 27, 2019, 88 trainees have worked a total of 54,561 hours. Of those hours, 9,165.50 have

been worked by trainees who graduated from a MnDOT-sponsored training program. April 30, 2019, 88 trainees have worked a total of 57,467.50. Of those hours, 9,433.50 have been worked by trainees who graduated from a MnDOT-sponsored training program. May 29, 2019, 96 trainees have worked a total of 62,798.00. Of those hours, 10,089.00 have been worked by trainees who graduated from a MnDOT-sponsored training program. June 28, 2019, 101 trainees have worked a total of 88,917.00. Of those hours, 17,793.50 have been worked by trainees who graduated from a MnDOT-sponsored training program. July 31, 2019, 107 trainees have worked a total of 74,587.50. Of those hours, 13,313.00 have been worked by trainees who graduated from a MnDOT-sponsored training program. August 31, 2019, 109 trainees have worked a total of 79,615.75. Of those hours, 14,854.50 have been worked by trainees who graduated from a MnDOT-sponsored training program.
