

**AASHTOWare Project
Civil Rights and Labor
Technical Assistance Program**

Eligible DBE firms are encouraged to apply for MnDOT's AASHTOWare Project Civil Rights and Labor (CRL) Technical Assistance Program. This program provides help to comply with MnDOT's construction contract provisions requiring electronic submittal of certified payroll data into MnDOT's CRL database.

Businesses will receive one-on-one technical help, including

- Individual review and analysis of accounting and payroll procedures
- Customized technology implementation to automate your payroll submittal process

Who is eligible?

- Must be a currently certified Disadvantaged Business Enterprise
- Must be a current MnDOT Contractor or Subcontractor

How to apply

- Contact UpNet Technologies at DOTsupport@upnettec.com or
- Amy Sullivan with MnDOT at amy.sullivan@state.mn.us

Questions? Call MnDOT Office of Civil Rights at 651-366-3073.

Technical assistance provided by:

- Minnesota Department of Transportation
- UpNet Technologies
