

Class Description:

This three day training course is designed for Traffic Control Supervisors who will be working in Minnesota on state projects. Topics covered in the course will include principles and setup of temporary traffic controls, summary of traffic control special provisions for MnDOT projects and will make use of actual traffic control plans. Other subjects covered are work zone speed limits, use of portable concrete barrier and drop off policy.

The MnDOT Traffic Control Supervisor registration form can be found at:

Questions and Answers:

- Q. Will my National ATSSA Traffic Control Supervisor Certification be valid and meet MnDOT specification requirements?
- A. **Yes, Effective in 2019 MnDOT has revised special provision to accept ATSSA's MN State Specific Traffic Control Supervisor Certification program.**
- Q. Are there any prerequisites for MnDOT's Traffic Control Supervisory Course?
- A. **There are no prerequisites for the MnDOT Traffic Control Supervisor Course. However, it is strongly recommended that attendees have a minimum of two years traffic control experience before registering for this class. More information on this course can be found at: <http://www.dot.state.mn.us/const/wzs/training.html> .**
- Q. How much is it and when will the next class be?
- A. **All Traffic Control and Specialty class are held February to mid-April. Posting for the next class and fee information will be available online Oct. 1st at the following website: <http://www.dot.state.mn.us/const/wzs/training.html>**
- Q. What happens if I don't pass the exam?
- A. **If your score is between 60 – 69% you may re-take the exam once without fee. If you do not pass this retake you must repeat the MnDOT Traffic Control Supervisor course in full and all fees will be applied.**
- Q. When will I receive my new certification card from MnDOT?
- A. **Certification cards are sent the month of May.**
- Q. How long will the certification for MnDOT Traffic Control Supervisor Certification be valid?
- A. **Five years.**
- Q. How much will this course cost?
- A. **The course and certification will cost \$300.00. The cost for recertification class and exam will be \$150.00.**
- Q. Where will the training for this course be held?
- A. **The MnDOT Traffic Control Supervisor Certification course will be offered at least once a year at a Twin City and St. Cloud location.**
- Q. Can the MnDOT Traffic Control Supervisor course be taken on-line?
- A. **No, you must take the Traffic Control Supervisor course in the classroom. The Traffic Control Supervisor Re-Certification course is offered on-line.**
- Q. How will I know when to sign up for the Re-Certification course?
- A. **Your expiration date is listed on your certification card. Before your certification expires you will be sent a reminder letter to your address on record. You must register and complete the re-certification class before your certification expires. You may also view the list of certified Traffic Control Supervisors on the training site at: <http://www.dot.state.mn.us/const/wzs/training.html>**
