

## Class Description:

This three day training course is designed for Traffic Control Supervisors who will be working in Minnesota on state projects. Topics covered in the course will include principles and setup of temporary traffic controls, summary of traffic control special provisions for MnDOT projects and will make use of actual traffic control plans. Other subjects covered are work zone speed limits, use of portable concrete barrier and drop off policy.

## Questions and Answers:

---

- Q. Will my National ATSSA Traffic Control Supervisor Certification still be valid and meet MnDOT specification requirements?
- A. **No, National ATSSA Traffic Control Supervisor Certification is not accepted.**
- Q. What if my National ATSSA Traffic Control Supervisor Certification has expired?
- A. **If your certification has expired you will be required to complete the MnDOT Traffic Control Supervisor course in it's entirety along with the written exam in order to gain MnDOT certification.**
- Q. Was there a deadline for acceptance of the National ATSSA Traffic Control Supervisor Certification?
- A. **National ATSSA Traffic Control Supervisor Certification was no longer accepted after January 26, 2011.**
- Q. What happens if I don't pass the exam?
- A. **If your score is between 60 – 69% you may re-take the exam once without fee. If you do not pass this retake you must repeat the MnDOT Traffic Control Supervisor course in full and all fees will be applied.**
- Q. When will I receive my new certification card from Mn/DOT?
- A. **Certification cards are sent the month of May. You will receive a new certification card every year.**
- Q. How long will the certification for Mn/DOT Traffic Control Supervisor Certification be valid?
- A. **The certification period will be five years.**
- Q. How much will this course cost?
- A. **The course and certification will cost \$250.00. The cost for recertification class and exam will be \$150.00.**
- Q. Where will the training for this course be held?
- A. **The MnDOT Traffic Control Supervisor Certification course will be offered at least once a year at a Twin City location.**
- Q. Can the MnDOT Traffic Control Supervisor course be taken on-line?
- A. **No, you must take the Traffic Control Supervisor course in the classroom. The Traffic Control Supervisor Re-Certification course is offered on-line.**
- Q. How will I know when to sign up for the Re-Certification course?
- A. **Your expiration date is listed on your certification card. Before your certification expires you will be sent a reminder letter to your address on record. You must register and complete the re-certification class before your certification expires.**
