REQUEST FOR PROPOSALS (RFP)
Minnesota Department of Transportation (MnDOT)
Final Bridge Design for the St. Croix Crossing Project
and the Peer Review of the Final Bridge Design for the
St. Croix Crossing Project

Note: This document is available in alternative formats for persons with disabilities by calling Colleen Harer at (651) 366-4483 or for persons who are hearing or speech impaired by calling the Minnesota Relay Service at 1-800-627-3529.

This solicitation will be used to award two contracts:
1) Final bridge design for the St. Croix Crossing Project;
2) The independent peer review of the final bridge design.

Responses may be submitted for both the bridge design contract, and the peer review contract. Responses are not required for both the bridge design contract and the peer review contract. The consultant selection for final bridge design will be conducted prior to selection of the peer review contract. The consultant selected to enter into negotiations for bridge design will then not be eligible for the peer review contract, if indeed they have submitted a proposal for the peer review contract. If submitting for both contracts, firms must submit a separate proposal for each contract.

A “Qualification Based Selection” method will be used to review proposals submitted in response to this RFP.

Responses to this RFP will be public information under the Minnesota Data Practices Act, Minnesota Statutes Chapter 13.

This RFP does not obligate MnDOT to award a Contract or complete the project and MnDOT reserves the right to cancel the solicitation if it is considered to be in its best interest.

**Project Specific Information**

**Project Overviews**

**Design Contract:** The St. Croix Crossing Project has been developed in response to traffic congestion, operational deficiencies, safety concerns, and structural deficiencies of the Stillwater Lift Bridge. The scope of work for this Contract includes final bridge design for a river bridge that has extradosed main spans and concrete box girder approach spans (Bridge 82045), and two concrete box girder ramp bridges (Bridges 82047 and 82048). Also included are public outreach activities, design and plan preparation to use the Xcel barge unloader facility as a construction staging site, visual quality assistance, and development of special provisions and cost estimates.

Proposal content requirements and evaluation criteria for the design contract are detailed separately from this announcement as “Exhibit A.”

**Peer Review Contract:** MnDOT has determined this project to be a major structure; therefore, design reviews (with independent design computations) will be made to ensure adequacy of design, compliance with code requirements, and constructability of the design.

Proposal content requirements and evaluation criteria for the peer review contract are detailed separately from this announcement as “Exhibit B.”

**Project Goal**

It is the goal of this project to construct a new river crossing between Oak Park Heights, Minnesota, and St. Joseph, Wisconsin, in accordance with all applicable standards and governing documents that have been prepared for this project. When construction of the new river crossing is completed, the Stillwater Lift Bridge will be converted for use as a pedestrian/bike structure.

**Scope of Work and Deliverables**

Detailed descriptions of the scopes of work and deliverables for these contracts have been posted separately from this
Request for Proposals, as “Bridge Design Scope of Work,” and “Peer Review Scope of Work.”

Responders are encouraged to propose additional tasks or activities if they will substantially improve the results of the project.

**Project Constraints**
Requirements for Bridges 82045, 82047, and 82048 have been developed and are documented in the SFEIS, the 2012 Visual Quality Manual Addendum, the 2007 Visual Quality Manual, and the Preliminary Bridge Plans that have been prepared for the project.

**Pre-Proposal Meeting**
A pre-proposal informational meeting will be held on Tuesday, April 3, 2012 from 8:30 – 11:00 a.m. at the MnDOT Bridge Office in Oakdale, Minnesota. Attendance at this meeting is strongly encouraged. The purpose of the meeting will be to share information vital to the success of this project.

**Proposal Submittal**
All proposals must be mailed (U.S. Postal Service), expressed (UPS, FedEx or other similar express carrier) or dropped off to the attention of:

  Colleen Harer, Contract Administrator  
  Minnesota Department of Transportation  
  3485 Hadley Avenue North  
  Oakdale, MN 55128

All proposals must be received no later 2:00 p.m. Central Daylight Time on April 27, 2012. Please note that MnDOT procedures do not allow non-MnDOT employees to have access to the elevators or the stairs. You should plan enough time and follow these instructions for drop-off:

- Enter through the Hadley Avenue side of the Bridge Office building (1st Floor).
- Once you enter through the doors, you should walk straight ahead to the Information Desk.
- **Proposals are accepted at the Information Desk only.** The receptionist will call the Contract Administrator to come down and to time stamp the proposal.

Submit eight hard copies of the proposal and one electronic file in/PDF on a flash drive or CD. Proposals are to be submitted in a sealed mailing envelope or package, clearly marked “Proposal” on the outside. An authorized member of the firm must sign each copy of the proposal in ink.

**Proposal Questions**
Responders who have any questions regarding this RFP must submit questions by e-mail only to:

  Colleen Harer  
  colleen.harer@state.mn.us

All questions and answers will be posted on MnDOT’s Consultant Services Web Page at [www.dot.state.mn.us/consult/](http://www.dot.state.mn.us/consult/) under the “P/T Notices” section. All prospective responders will be responsible for checking the web page for any addendums to this RFP and any questions that have been answered. **Please note that questions will be posted verbatim as submitted.**

Questions regarding this RFP must be received by MnDOT no later than 2:00 p.m. Central Daylight Time on April 10, 2012.

MnDOT anticipates posting answers to such questions no later than 2:00 p.m. Central Daylight Time on April 13, 2012.

No other MnDOT personnel are allowed to discuss the RFP before the proposal submission deadline. Contact regarding this RFP with any personnel not listed above could result in disqualification.

**General Information**

(CSS Reviewed 10/11/2011)
Responders must adhere to all terms of this RFP. Late proposals will not be considered. All costs incurred in responding to this RFP will be borne by the responder. Fax and e-mail responses will not be considered.

MnDOT Not Obligated To Complete Project
This RFP does not obligate MnDOT to award a Contract or complete the project, and MnDOT reserves the right to cancel the solicitation if it is considered to be in its best interest.

Disposition of Responses
All materials submitted in response to this RFP will become property of MnDOT and will become public record after the evaluation process is completed and an award decision made. If the responder submits information in response to this RFP that it believes to be trade secret materials, as defined by the Minnesota Government Data Practices Act, Minnesota Statutes §13.37, the responder must:

- Clearly mark all trade secret materials in its response at the time the response is submitted,
- Include a statement with its response justifying the trade secret designation for each item, and
- Defend any action seeking release of the materials it believes to be trade secret, and indemnify and hold harmless MnDOT, its agents and employees, from any judgments or damages awarded against MnDOT in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives MnDOT’s award of a Contract. In submitting a response to this RFP, the responder agrees that this indemnification survives as long as the trade secret materials are in possession of MnDOT. MnDOT is required to keep all the basic documents related to its Contracts, including responses to RFIs for a minimum of seven years.

MnDOT will not consider the prices submitted by the responder to be proprietary or trade secret materials.

Responses to this RFP will not be open for public review until MnDOT decides to pursue a Contract and that Contract is executed.

Contingency Fees Prohibited
Pursuant to Minnesota Statutes §10A.06, no person may act as or employ a lobbyist for compensation that is dependent upon the result or outcome of any legislation or administrative action.

Affidavit of Noncollusion
Responders must complete the attached “Affidavit of Noncollusion” and include it with the response. The successful responder will be required to submit acceptable evidence of compliance with workers' compensation insurance coverage requirements prior to execution of the Contract. The successful responder will be required to submit pre-award audit information and comply with audit standards.

Organizational Conflicts of Interest
The responder warrants that, to the best of its knowledge and belief, and except as otherwise disclosed, there are no relevant facts or circumstances, which could give rise to organizational conflicts of interest. An organizational conflict of interest exists when, because of existing or planned activities or because of relationships with other persons, a vendor is unable or potentially unable to render impartial assistance or advice to MnDOT, or the successful responder’s objectivity in performing the Contract work is or might be otherwise impaired, or the successful responder has an unfair competitive advantage. The responder agrees that, if after award, an organizational conflict of interest is discovered, an immediate and full disclosure in writing must be made to MnDOT, which must include a description of the action, which the successful responder has taken or proposes to take to avoid or mitigate such conflicts. If an organization conflict of interest is determined to exist, MnDOT may, at its discretion, cancel the Contract. In the event the responder was aware of an organizational conflict of interest prior to the award of the Contract and did not disclose the conflict to the contracting officer, MnDOT may terminate the Contract for default. The provisions of this clause must be included in all subcontracts for work to be performed similar to the service provided by the prime contractor, and the terms “contract,” “contractor,” and “contracting officer” modified appropriately to preserve MnDOT’s rights. Responders must complete the attached “Conflict of Interest Checklist and Disclosure Form” and submit it along with the response, but not as a part of the response.

FOR THE DESIGN CONTRACT, THE FOLLOWING DBE GOAL HAS BEEN SET:
Soliciting proposals by Disadvantaged Business Enterprises (DBE)

(CSS Reviewed 10/11/2011)
In accordance with 49 Code of Regulations, Part 26, Participation By Disadvantaged Business Enterprises in MnDOT’s Financial Assistance Program, a DBE goal of 5% has been established for this RFP. To view a listing of those certified DBE’s please visit the website for MnDOT'S Office of Civil Rights at: www.dot.state.mn.us/eeocm/index.html.

This goal may be attained by means of:

a) a subcontract agreement or affidavit with a Minnesota Unified Certification Program (Mn/UCP) certified Disadvantaged Business Enterprise;

b) an equipment lease agreement with a Mn/UCP certified DBE;

c) a joint venture with an Mn/UCP certified DBE. The joint venture must have the approval of MnDOT’s Office of Civil Rights prior to submitting the proposal;

d) a purchase agreement with a Mn/UCP certified DBE supplier (60% of the supplier’s contracted amount will be credited toward the DBE goal), or;

e) other services pre-approved by MnDOT’s Office of Civil Rights;

Prior to the award of the Contract, MnDOT’s Office of Civil Rights is required to clear the successful responder’s attainment of the goal or good faith efforts made to attain the goal. Note that a successful responder who fails to indicate a DBE commitment on the Goal Certification form must fulfill the goal indicated in this RFP.

**FOR THE PEER REVIEW CONTRACT, THE FOLLOWING DBE GOAL HAS BEEN SET:**

**Race Gender Neutral Assigned**

The MnDOT office of Civil Rights has assigned a Race/Gender Neutral Goal to this project. Responders are directed to read the DBE Special Provisions, as posted along with this RFP at www.dot.state.mn.us/consult/ under the “P/T Notices” section. The DBE Special Provisions explains how to comply with the DBE requirements. In particular, see pages one and two regarding documents that a responder must submit with its proposal. The form required in the proposal can be found on page 3 of the Special Provisions. To view a listing of certified DBE’s, please contact the MnDOT Office of Civil Rights at 651-366-3073, TTY 651-282-5799, or visit their website at www.dot.state.mn.us/eeocm.

**E-Verify Certification (In accordance with Minnesota Statutes §16C.075)**

By submission of a proposal for services in excess of $50,000, responders certify that as of the date of services performed on behalf of MnDOT, responder and all its subcontractors will have implemented or be in the process of implementing the federal E-Verify program for all newly hired employees in the United States who will perform work on behalf of MnDOT. In the event of Contract award, the successful responder will be responsible for collecting all subcontractor certifications and may do so utilizing the E-Verify Subcontractor Certification Form available at http://www.mmd.admin.state.mn.us/doc/EverifySubCertForm.doc. All subcontractor certifications must be kept on file with the successful responder and made available to MnDOT upon request.

**Early Retirement Incentive Reemployment Prohibition**

Laws of Minnesota 2010, Chapter 337, Subdivision 5, provided an early retirement incentive to some State of Minnesota employees. The law provides that an individual who received an early retirement incentive payment may not be hired as a consultant by any agency or entity that participates in the State Employee Group Insurance Program for a period of three years after termination of service. By submitting a proposal under this RFP, the responder certifies that it will not utilize any former state employee in the performance of a contract who received an retirement incentive payment under Laws of Minnesota 2010, Chapter 337, unless three years have passed from the date of the employee’s separation from state service.

**Certification Regarding Lobbying**

Federal money will be used to pay for all or part of the work under the Contract, therefore the responder must complete the attached Certification Regarding Lobbying and submit is as part of its proposal.

**Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion**

Federal money will be used (or may potentially be used) to pay for all or part of the work under the Contract; therefore responders must certify the following, as required by the regulations implementing Executive Order 12549.

**Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion -- Lower Tier Covered**

(CSS Reviewed 10/11/2011)
Transactions

Instructions for Certification:

By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

1. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

2. The prospective lower tier participant will provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

3. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverages sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

4. The prospective lower tier participant agrees by submitting this response that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

5. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transaction,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

6. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 C.F.R. 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

7. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

8. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 C.F.R. 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

9. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

10. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Affirmative Action Data

For all Contracts estimated to be in excess of $100,000.00, responders are required to complete the attached “Affirmative Action Certification” page and include it with the response.

Sample Contract

You should be aware of MnDOT’s standard Contract terms and conditions in preparing your response. A sample State of Minnesota Professional/Technical Contract is attached for your reference. Much of the language reflected in the Contract is required by statute. If you take exception to any of the terms, conditions or language in the Contract, you must indicate in your response to this RFP; certain exceptions may result in your response being disqualified from further review and evaluation. Only those exceptions indicated in your response to this RFP will be available for discussion or negotiation.

Insurance Requirements

1. Insurance Certificates and Continuity of Coverage Required. The successful responder must provide a certificate

(CSS Reviewed 10/11/2011)
of insurance showing that they have each type of insurance coverage and limits required under this Contract. The certificate must be filed with MnDOT’s Authorized Representative within 30 days of execution of this Contract. Each policy and Certificate of Insurance must contain a 30 day notice of cancellation, nonrenewal or changes in coverage or limits to all named and additional insured. The successful responder must maintain such insurance in full force and effect throughout the term of this Contract.

2. **Required Insurance.** The following insurance coverages are required:

   a. **Workers’ Compensation Insurance:** Except as provided below, the successful responder will be required to provide Workers’ Compensation insurance for all its employees and, in case any work is subcontracted, will require its subcontractor(s) to provide Workers’ Compensation insurance in accordance with the statutory requirements of the State of Minnesota, including Coverage B, Employer’s Liability. Insurance minimum amounts are as follows:
      - $100,000.00 – Bodily Injury by Disease per employee
      - $500,000.00 – Bodily Injury by Disease aggregate
      - $100,000.00 – Bodily Injury by Accident

      If Minnesota law exempts the successful responder from Workers’ Compensation insurance requirements, or if such responder has no employees in the State of Minnesota, they will be required to provide a written statement, signed by an authorized representative, indicating the qualifying exemption.

   b. **Commercial General Liability Insurance:** The successful responder will be required to maintain insurance protecting it from claims for damages for bodily injury, including sickness or disease, death and for care and loss of services as well as from claims for property damage, including loss of use which may arise from operations under the Contract whether the operations are by it or by a subcontractor or by anyone directly or indirectly employed by the successful responder pursuant to the Contract. Insurance minimum amounts are as follows:
      - $2,000,000.00 – per occurrence
      - $2,000,000.00 – annual aggregate
      - $2,000,000.00 – annual aggregate – Products/Completed Operations

      The following coverages must be included:
      - Premises and Operations Bodily Injury and Property Damage
      - Personal and Advertising Injury
      - Blanket Contractual Liability
      - Products and Completed Operations Liability
      - State of Minnesota named as an Additional Insured

   c. **Commercial Automobile Liability Insurance:** The successful responder will be required to maintain insurance protecting the responder from claims for damages for bodily injury as well as from claims for property damage resulting from the ownership, operation, maintenance or use of all owned, hired, and non-owned autos which may arise from operations under the Contract, and in case any work is subcontracted the responder must require the subcontractor to provide Commercial Automobile Liability. Insurance minimum amounts are as follows:
      - $2,000,000.00 – per occurrence Combined Single limit for Bodily Injury and Property Damage

      In addition, the following coverages should be included:
      - Owned, Hired and Non-owned Automobile
      - State of Minnesota named as an Additional Insured

   d. **Professional/Technical, Errors and Omissions, and/or Miscellaneous Liability Insurance.** The successful responder will be required to provide coverage for all claims the successful responder is legally obligated to pay resulting from any actual or alleged negligent act, error or omission related to the successful responders professional services performed under this Contract. Unless otherwise specified within this Contract, the successful responder’s professional liability insurance minimum limits are as follows:
      - $25,000,000.00 – per claim
      - $25,000,000.00 – annual aggregate

      On request, the successful responder must allow MnDOT to view reviewed or audited financial statements signed by a Certified Public Accountant which provides evidence that the successful responder has adequate assets to cover any deductible in excess of $50,000.00 that applies to this policy. MnDOT will treat such financial statements as non-public data to the extent permitted by the Minnesota Government Data Practices Act. The
retroactive or prior acts date of coverage must not be later than the effective date of this Contract and the successful responder must maintain such coverage for a period of at least three years following the completion of work. If such insurance is discontinued, then extended reporting period coverage must be purchased to fulfill this requirement.

c. **Additional Insurance Conditions:**
   i. The successful responder policies will be primary insurance to any other valid and collectible insurance available to MnDOT with respect to any claim arising out of the successful responder performance under this Contract;
   ii. If the successful responder receives a cancellation notice from an insurance carrier affording coverage herein, the successful responder agrees to notify the State of Minnesota within five business days with a copy of the cancellation notice, unless the successful responder’s policy(ies) contain a provision that coverage afforded under the policy(ies) will not be cancelled without at least 30 days advance written notice to the State of Minnesota.
   iii. The successful responder policies and Certificates of Insurance will contain a provision that coverage afforded under the policies will not be canceled without at least 30 days advance written notice to MnDOT;
   iv. The successful responder is responsible for payment of Contract related insurance premiums and deductibles;
   v. If the successful responder is self insured, a Certificate of Self-Insurance must be attached;
   vi. The successful responder policies will include legal defense fees in addition to its liability policy limits, with the exception of 26.2.5 above; and
   vii. The successful responder will obtain insurance policies from insurance companies having an “AM BEST” rating of “A minus”, a Financial Size Category VII, or better, and authorized to do business in the state of Minnesota.

3. **Right to Terminate.** MnDOT will reserve the right to immediately terminate the Contract if the successful responder is not in compliance with the insurance requirements and retains all rights to pursue any legal remedies against the successful responder. All insurance policies must be open to inspection by MnDOT and copies of policies must be submitted to MnDOT’s Contract Administrator upon written request.

CONFLICT OF INTEREST CHECKLIST AND DISCLOSURE FORM

Purpose of this Checklist. This checklist is provided to assist proposers in screening for potential organizational conflicts of interest. The checklist is for the internal use of proposers and does not need to be submitted to MnDOT, however, the Disclosure of Potential Conflict of Interest form should be submitted in a separate envelope along with your proposal.

Definition of “Proposer”. As used herein, the word “Proposer” includes both the prime contractor and all proposed subcontractors.

Checklist is Not Exclusive. Please note that this checklist serves as a guide only, and that there may be additional potential conflict situations not covered by this checklist. If a proposer determines a potential conflict of interest exists that is not covered by this checklist, that potential conflict must still be disclosed.

Use of the Disclosure Form. A proposer must complete the attached disclosure form and submit it with their Proposal (or separately as directed by MnDOT for projects not awarded through a competitive solicitation). If a proposer determines a potential conflict of interest exists, it must disclose the potential conflict to MnDOT; however, such a disclosure will not necessarily disqualify a proposer from being awarded a Contract. To avoid any unfair “taint” of the selection process, the disclosure form should be provided separate from the bound proposal, and it will not be provided to selection committee members. MnDOT Contract Management personnel will review the disclosure and the appropriateness of the proposed mitigation measures to determine if the proposer may be awarded the contract notwithstanding the potential conflict. MnDOT Contract Management personnel may consult with MnDOT’s Project Manager and Department of Administration personnel. By statute, resolution of conflict of interest issues is ultimately at the sole discretion of the Commissioner of Administration.

Material Representation. The proposer is required to submit the attached disclosure form either declaring, to the best of its knowledge and belief, either that no potential conflict exists, or identifying potential conflicts and proposing remedial measures to ameliorate such conflict. The proposer must also update conflict information if such information changes after the submission of the proposal. Information provided on the form will constitute a material representation as to the award of this Contract. MnDOT reserves the right to cancel or amend the resulting contract if the successful proposer failed to disclose a potential conflict, which it knew or should have known about, or if the proposer provided information on the disclosure form that is materially false or misleading.

Approach to Reviewing Potential Conflicts. MnDOT recognizes that proposer’s must maintain business relations with other public and private sector entities in order to continue as viable businesses. MnDOT will take this reality into account as it evaluates the appropriateness of proposed measures to mitigate potential conflicts. It is not MnDOT’s intent to disqualify proposers based merely on the existence of a business relationship with another entity, but rather only when such relationship causes a conflict that potentially impairs the proposer’s ability to provide objective advice to MnDOT. MnDOT would seek to disqualify proposers only in those cases where a potential conflict cannot be adequately mitigated. Nevertheless, MnDOT must follow statutory guidance on Organizational Conflicts of Interest.

Statutory Guidance. Minnesota Statutes §16C.02, subd. 10 (a) places limits on state agencies ability to contract with entities having an “Organizational Conflict of Interest”. For purposes of this checklist and disclosure requirement, the term “Vendor” includes “Proposer” as defined above. Pursuant to such statute, “Organizational Conflict of Interest” means that because of existing or planned activities or because of relationships with other persons: (1) the vendor is unable or potentially unable to render impartial assistance or advice to the state; (2) the vendor’s objectivity in performing the contract work is or might otherwise be impaired; or (3) the vendor has an unfair advantage.

Additional Guidance for Professionals Licensed by the Minnesota Board of Engineering. The Minnesota Board of Engineering has established conflict of interest rules applicable to those professionals licensed by the Board (see Minnesota Rules part 1805.0300) Subpart 1 of the rule provides “A licensee shall avoid accepting a commission where duty to the client or the public would conflict with the personal interest of the licensee or the interest of another client. Prior to accepting such employment the licensee shall disclose to a prospective client such facts as may give rise to a conflict of interest”.

(CSS Reviewed 10/11/2011)
An organizational conflict of interest may exist in any of the following cases:

- The proposer, or its principals, own real property in a location where there may be a positive or adverse impact on the value of such property based on the recommendations, designs, appraisals, or other deliverables required by this Contract.

- The proposer is providing services to another governmental or private entity and the proposer knows or has reason to believe, that entity’s interests are, or may be, adverse to the state’s interests with respect to the specific project covered by this contract. **Comment:** the mere existence of a business relationship with another entity would not ordinarily need to be disclosed. Rather, this focuses on the nature of services commissioned by the other entity. For example, it would not be appropriate to propose on a MnDOT project if a local government has also retained the proposer for the purpose of persuading MnDOT to stop or alter the project plans.

- The Contract is for right-of-way acquisition services or related services (e.g. geotechnical exploration) and the proposer has an existing business relationship with a governmental or private entity that owns property to be acquired pursuant to the Contract.

- The proposer is providing real estate or design services to a private entity, including but not limited to developers, whom the proposer knows or has good reason to believe, own or are planning to purchase property affected by the project covered by this Contract, when the value or potential uses of such property may be affected by the proposer’s performance of work pursuant to this Contract. “Property affected by the project” includes property that is in, adjacent to, or in reasonable proximity to current or potential right-of-way for the project. The value or potential uses of the private entity’s property may be affected by the proposer’s work pursuant to the Contract when such work involves providing recommendations for right-of-way acquisition, access control, and the design or location of frontage roads and interchanges. **Comment:** this provision does not presume proposers know or have a duty to inquire as to all of the business objectives of their clients. Rather, it seeks the disclosure of information regarding cases where the proposer has reason to believe that its performance of work under this contract may materially affect the value or viability of a project it is performing for the other entity.

- The proposer has a business arrangement with a current MnDOT employee or immediate family member of such employee, including promised future employment of such person, or a subcontracting arrangement with such person, when such arrangement is contingent on the proposer being awarded this Contract. This item does not apply to pre-existing employment of current or former MnDOT employees, or their immediate family members. **Comment:** this provision is not intended to supercede any MnDOT policies applicable to its own employees accepting outside employment. This provision is intended to focus on identifying situations where promises of employment have been made contingent on the outcome of this particular procurement. It is intended to avoid a situation where a proposer may have unfair access to “inside” information.

- The proposer has, in previous work for the state, been given access to “data” relevant to this procurement or this project that is classified as “private” or “nonpublic” under the Minnesota Government Data Practices Act, and such data potentially provides the proposer with an unfair advantage in preparing a proposal for this project. **Comment:** this provision will not, for example, necessarily disqualify a proposer who performed some preliminary work from obtaining a final design Contract, especially when the results of such previous work are public data available to all other proposers. Rather, it attempts to avoid an “unfair advantage” when such information cannot be provided to other potential proposers. Definitions of “government data”, “public data”, “non-public data” and “private data” can be found in Minnesota Statutes Chapter 13.

- The proposer has, in previous work for the state, helped create the “ground rules” for this solicitation by performing work such as: writing this solicitation, or preparing evaluation criteria or evaluation guides for this solicitation.

- The proposer, or any of its principals, because of any current or planned business arrangement, investment interest, or ownership interest in any other business, may be unable to provide objective advice to the state.
DISCLOSURE OF POTENTIAL CONFLICT OF INTEREST

Having had the opportunity to review the Organizational Conflict of Interest Checklist, the proposer hereby indicates that it has, to the best of its knowledge and belief:

___ Determined that no potential organizational conflict of interest exists.

___ Determined a potential organizational conflict of interest as follows:

Describe nature of potential conflict:

Describe measures proposed to mitigate the potential conflict:

STATE OF MINNESOTA – AFFIRMATIVE ACTION CERTIFICATION

If your response to this solicitation is or could be in excess of $100,000.00, complete the information requested below to determine whether you are subject to the Minnesota Human Rights Act (Minnesota Statutes 363A.36) certification requirement, and to provide documentation of compliance if necessary. It is your sole responsibility to provide this information and—if required—to apply for Human Rights certification prior to the due date and time of the bid or proposal and to obtain Human Rights certification prior to the execution of the contract. The State of Minnesota is under no obligation to delay proceeding with a contract until a company receives Human Rights certification.

BOX A – For companies which have employed more than 40 full-time employees within Minnesota on any single working day during the previous 12 months. All other companies proceed to BOX B.

Your response will be rejected unless your business:

- Has a current Certification of Compliance issued by the Minnesota Department of Human Rights (MDHR)
- Has submitted an affirmative action plan to the MDHR, which the Department received prior to the date and time the responses are due.

Check one of the following statements if you have employed more than 40 full-time employees in Minnesota on any single working day during the previous 12 months:

☐ We have a current Certificate of Compliance issued by the MDHR. Proceed to Box C. Include a copy of your Certification with your response

☐ We do not have a current Certificate of Compliance; However, we submitted an Affirmative Action Plan to the MDHR for approval, which the Department received on __________________________(date). If the date is the same as the response due date, indicate the time your plan was received: _________________(time). Proceed to Box C.

☐ We do not have a Certification of Compliance, nor has the MDHR received an Affirmative Action Plan from our company. We acknowledge that our response will be rejected. Proceed to Box C. Contact the MDHR for assistance. (See below for contact information)

Please note: Certificates of Compliance must be issued by the MDHR. Affirmative Action Plans must be approved by the Federal government, a county or a municipality must still be received, reviewed and approved by the MDHR before a Certification can be issued.

BOX B – For those companies not described in BOX A

Check below

☐ We have not employed more than 40 full-time employees on any single working day in Minnesota within the previous 12 months. Proceed to BOX C.

BOX C – For all companies

By signing this statement, you certify that the information provided is accurate and that you are authorized to sign on behalf of the responder. You also certify that you are in compliance with federal affirmative action requirements that may apply to your company. (These requirements are generally triggered only by participating as a prime or subcontractor on federal projects or contracts. Contractors are alerted to these requirements by the federal government.)

7.2 State’s Project Manager will be:
Name/Title:
Address:
Phone:
Fax:
E-Mail:

State’s Project Manager, or his/her successor, has the responsibility to monitor Contractor’s performance and progress. State’s Project Manager will sign progress reports, review billing statements, make recommendations to State’s Authorized Representative for acceptance of Contractor’s goods or services and make recommendations to State’s Authorized Representative for certification for payment of each Invoice submitted for payment.

Article 8 Modification of the General Terms:

FOR ALL ENGINEERING CONTRACTS, USE THE FOLLOWING CLAUSE, UNLESS YOU HAVE AN EXCEPTION APPROVED BY AUDIT AND CONSULTANT SERVICES. YOU MAY NOT USE THE CLAUSE BELOW IN NON-ENGINEERING CONTRACTS:

8.1 Article 18.3 is deleted, as authorized by Minnesota Statutes §16C.08, subdivision 5(b) for professional services as defined in Minnesota Statutes §326.02 to §326.15.

Article 9 Additional Provisions:
BE SURE TO DOUBLE CHECK YOUR ARTICLE NUMBERING AS YOU ADD AND/OR DELETE ADDITIONAL PROVISIONS!

(CSS/CM Reviewed 8/17/2011)
9.1 E-Verify Certification (In accordance with Minnesota Statutes §16C.075). For services valued in excess of $50,000, Contractor certifies that as of the date of services performed on behalf of State, Contractor and all its subcontractors will have implemented or be in the process of implementing the federal E-Verify program for all newly hired employees in the United States who will perform work on behalf of State. Contractor is responsible for collecting all subcontractor certifications and may do so utilizing the E-Verify Subcontractor Certification Form available at http://www.mnd.admin.state.mn.us/doc/EverifySubCertForm.doc. All subcontractor certifications must be kept on file with Contractor and made available to State upon request.

9.2 IS FOR ALL CONTRACTS EXCEPT RIGHT-OF-WAY ASSISTANCE, PHOTOGRAMMETRY & REMOTE SENSING. INCLUDE THE FOLLOWING LANGUAGE (Delete if not needed):
9.2 Quality Management Plan (QMP) and Quality Assurance and Quality Control Procedures. Contractor will develop a project specific QMP that specifies how Contractor will perform Quality Assurance and Quality Control (QA/QC) activities throughout the duration of the project to ensure delivery of a quality product in a timely manner that conforms to established contract requirements. Contractor will prepare the project specific QMP and distribute it to all project team members, including subcontractors. Contractor must submit the project specific QMP to State’s Project Manager for approval within five business days of Notice to Proceed.

Components of the QMP must include the following project specific items (as outlined in State’s current QMP Manual, located at http://www.dot.state.mn.us/design/qmp/index.html):
- A List of Requirements
- Intent of the QMP
- Philosophy of the QMP
- Technical Document Review Process
- Checking Procedures
- Quality Control Verification
- Definitions

9.3 IS FOR CONTRACTS FUNDED ALL OR IN PART BY AMERICAN RECOVERY AND REINVESTMENT ACT (ARRA). INCLUDE THE FOLLOWING LANGUAGE (Delete if not needed):
9.3 American Recovery and Reinvestment Act (ARRA) Requirements
9.3.1 This Contract is funded all or in part by the ARRA. Contractor and its subcontractors will be required to complete monthly employment reports as set forth in Exhibit _. Information will include the number of employees, total hours for employees and total wages for employees. The report must be submitted no later than the 10th day of each month. Contractor must have a DUNS number which is a unique nine-digit number issued by Dun & Bradstreet. Contractor will be required to be current with the monthly report before invoices are processed and paid. The costs of providing the required report will be incidental to the Contract as a whole.

9.3.2 Section 902 of the ARRA of 2009 provides the United States Comptroller General and his representatives with the authority to:
- Examine any records of Contractor, or any of its subcontractors, or any State or local agency administering such Contract, that directly pertain to, and involve transactions relating to, the Contract or subcontract; and
- Interview any officer or employee of Contractor or any of its subcontractors, or of any State or local government agency administering the contract, regarding such transactions.

9.3.3 Accordingly, the Comptroller General and his representatives will have the authority and rights as provided under Section 902 of the ARRA with respect to this Contract, which is funded with funds made available under the ARRA. Section 902 further states that nothing in this section may be interpreted to limit or restrict in any way any existing authority of the Comptroller General.

9.3.4 Section 1515(a) of the ARRA provides authority for any representatives of the Inspector General to examine any records or interview any employee or officers working on to this Contract. Representatives of the inspector general have the authority to examine any record and interview any employee or officer of Contractor, its subcontractors or other firms working on this Contract. Section 1515(b) further provides that nothing in this section may be interpreted to limit or restrict in any way any existing authority of an inspector general.
Add any additional contract information here. If this Contract will be funded with FTA funds, additional provisions will need to be added – Contact Consultant Services.

NOTE: Known or Suspected Hazardous Materials: If Contractor will be working at a project site, or if samples will be given to them, be sure to disclose whether the presence of contaminants in the sample or at the site is known or suspected. This is important because Contractor may have the right to terminate the Contract if we fail to disclose this.

General Terms

Article 10 Effect of General Terms; Order of Precedence
10.1 This Contract consists of the “Special Terms”, these “General Terms” and any other attachments or documents incorporated herein.
10.2 The provisions of these General Terms will be enforceable unless they are specifically modified, in writing, by the Special Terms of this Contract.
10.3 To the extent of any inconsistencies between the Special Terms and these General Terms, the Special Terms will control. Minnesota law supersedes any of the Special Terms or General Terms set forth in this Contract.

Article 11 Governing Law, Jurisdiction and Venue; Aids to Interpretation; Referenced Standards
11.1 Minnesota law governs the validity, interpretation and enforcement of this Contract. Venue for all legal proceedings arising out of this Contract, or its breach, will be in the applicable state or federal court with competent jurisdiction in Ramsey County, Minnesota.
11.2 In this Contract, where appropriate: the singular includes the plural and vice versa; references to statutes or regulations include all statutory or regulatory provisions consolidating, amending or replacing the statute or regulation referred to; the words “including,” “included,” “includes” and “include” are deemed to be followed by the words “without limitation”; the word “shall” means “is required to”; unless otherwise indicated, references to sections, appendices and exhibits are to the document which contains such references; words such as “herein,” “hereof” and “hereunder” refer to this entire Contract and not to any particular provision or section; words not otherwise defined that have well-known technical engineering or construction industry meanings are used in accordance with such recognized meanings; references to persons include their respective permitted successors and, in the case of governmental persons, persons succeeding to their respective functions and capacities; and words of any gender used herein include each other gender where appropriate. Unless otherwise specified, lists contained in the Special Terms of this Contract defining the project or work will not be deemed all-inclusive. Contractor further acknowledges and agrees that it had the opportunity to review this Contract with legal counsel.
11.3 Except as otherwise specified in the Special Terms of this Contract, work specified by the number, symbol or title of any standard established by reference to a described publication affecting any portion of the project will comply with the latest edition or revision thereof and amendments and supplements thereto in effect on the date that Contractor signs this Contract.

Article 12 Contractor’s Key Personnel
12.1 Contractor’s key personnel specified by name and title in the Special Terms will be considered essential to the work being performed.
12.2 If, for any reason, substitution of a key person becomes necessary, Contractor must provide two weeks’ advance written notification of the substitution to State’s Authorized Representative, if possible. The written notification must include the proposed successor’s name and a resume of his/her qualifications. State’s Authorized Representative will have the right to reject the proposed successor based upon reasonable grounds.

Article 13 Assignment
13.1 Contractor may not assign any rights or obligations under this Contract unless such assignment is approved by State’s Authorized Representative and documented in a written assignment agreement. An assignment will not be effective until the assignment agreement is fully executed.
13.2 Unless otherwise specified in the written assignment agreement, State’s approval of such assignment will not relieve Contractor from the primary responsibility for performance of the services and delivery of the goods specified in this Contract.

(CSS/CM Reviewed 8/17/2011)
Article 14 Subcontracts

14.1 If Contractor is authorized by State to use, or uses, any subcontractors, Contractor will be responsible for coordinating and managing the work of such subcontractors. The use of subcontractors does not relieve Contractor from its obligation to perform the services specified in this Contract.

14.2 Contractor’s subcontracts must contain all appropriate terms and conditions of this Contract, including Articles 1, 2, 4, 5 and 6 of the Special Terms and Article 20 of the General Terms of this Contract as they apply to the subcontractor.

14.3 Contractor must, in accordance with Minnesota Statutes §16A.1245, pay subcontractors within 10 days of receiving payment from the State for undisputed services provided by subcontractors. Contractor must also pay interest, at the rate of 1.5% per month or any part of a month, to subcontractors on any undisputed amount not paid on time. The minimum monthly interest payment on a balance of $100.00 or less is $10.00.

14.4 Contractor must require subcontractors’ invoices to follow the same format and contain the same information as set forth in Article 19.

14.5 Contractor must submit a copy of all subcontracts exceeding $10,000.00 to State’s Authorized Representative no later than 30 calendar days after executing the subcontract and prior to beginning work under the subcontract. Upon request by State, a copy of any executed subcontract under $10,000.00 must be sent to State’s Authorized Representative.

Article 15 Schedule Adjustments

15.1 For delays encountered that are beyond Contractor’s control, such as a force majeure event, and upon written request from Contractor, State’s Authorized Representative will negotiate an adjustment to the project schedule set forth in the Special Terms of this Contract. A “force majeure event” is an event beyond Contractor’s reasonable control, including, but not limited to, unusually severe weather, fire, floods, other acts of God, labor disputes and acts of war or terrorism. Contractor will use all reasonable efforts to minimize the duration and consequences of any delay resulting from a force majeure event and will give State prompt notice of the occurrence of such event.

15.2 It will be Contractor’s responsibility to promptly notify, in writing, State’s Project Manager and Authorized Representative if the project will not be completed as scheduled for any reason other than the delays described in Article 15.1. State’s Project Manager will have the authority to adjust the schedule, in writing, within the term of the Contract.

15.3 The Expiration Date of this Contract can only be extended by a written Amendment to this Contract. The duration of this Contract cannot exceed five years.

Article 16 Amendments, Change Orders, Merger and Waiver

16.1 To be effective, any Amendment to this Contract must be in writing and must be executed and approved by the same representatives who executed and approved the original Contract, or their successors in office.

16.2 Amendments to this Contract will be considered only for unforeseen services that were not included in the initial Scope of Work or for additional services that are considered essential and are within the general Scope of Work in this Contract. Contractor’s claims for extra costs due to extra work will be disallowed unless the extra work has been approved by State’s Authorized Representative and evidenced by an executed Amendment to this Contract.

16.3 A Change Order must be in writing and approved by both parties to be effective. Change Orders may be used to provide clarification of the Scope of Work or other Contract terms, to make interim schedule adjustments not affecting the expiration date, or to provide other minor directives. Change Orders must be consistent with the basic purpose of this Contract and with the general Scope of Work identified in the Special Terms. Changes in the Total Contract Amount or Contract Expiration Date are not permitted in a Change Order.

16.4 This Contract, including all incorporated items, contains all prior negotiations and agreements between Contractor and State. No other understanding regarding the subject matter of this Contract, whether written or oral, may be used to bind either party.

16.5 Failure of a party to enforce any provision of this Contract will not constitute, or be construed as, a waiver of such provision or of the right to subsequently enforce such provision.
**Article 17 Terms of Payment**

17.1 State will pay Contractor for services performed and goods delivered in conformance with the requirements of this Contract. Compensation will be in accordance with the Special Terms, Article 4 “Consideration of Payment”.

17.2 If it appears at any time that Contractor might exceed the Total Contract Amount stated in the Special Terms of this Contract, Contractor must promptly notify State’s Authorized Representative in writing. State will not pay Contractor for work performed in excess of the Total Contract Amount without a written, fully executed Amendment to this Contract. Any work performed beyond that which is provided for in this Contract without a prior written Amendment signed by State, will be deemed voluntary and Contractor will not be entitled to compensation for the extra work.

17.3 Contractor may make a claim for extra costs incurred because of any instruction, latent condition, order of a governmental authority or other condition or occurrence that was not reasonably foreseeable. Latent conditions are conditions not anticipated by the Special Terms of this Contract. Contractor must provide written notice of claim for extra costs to State as soon as it becomes aware of the facts, conditions or occurrences giving rise to such claim and in no event later than 30 calendar days thereafter. State may refuse any claim made without a written notice. State’s Authorized Representative will have the sole authority to determine whether any claimed extra costs are reasonable under the circumstances and whether State will approve the extra costs. If State determines that such a claim is valid, in whole or in part, the parties will cooperate to promptly negotiate an equitable amendment. Any work performed under an amendment to this Contract that has not been properly approved and executed by the parties will be performed at Contractor’s own risk.

17.4 State will not pay overtime rates for any overtime worked by Contractor or a subcontractor unless State’s Authorized Representative has specifically authorized overtime, in writing. When State’s Authorized Representative has authorized overtime work, overtime premium pay will be reimbursed as a direct cost for the overtime portion of the hourly rate and is not eligible for overhead costs or profit.

17.5 If authorized in the Special Terms, Contractor will be reimbursed for travel and subsistence expenses actually and necessarily incurred to perform this Contract. Such travel and subsistence expenses will not exceed the amount defined in the Special Terms, and will be reimbursed in the same manner and in no greater amount than provided in the current “Minnesota Department of Transportation Travel Regulations”. Contractor will not be reimbursed for travel and subsistence expenses incurred outside the state of Minnesota unless it has received prior written approval from State for such out of state travel or unless such travel has been authorized by the Special Terms of this Contract. The state of Minnesota will be considered the home base for determining whether travel is “out of state”.

17.6 The final payment due Contractor will be based on actual acceptable costs as determined by an audit conducted by State. The audit will be conducted using the Cost Principles and Procedures set forth in the Federal Acquisition Regulations, 48 Code of Federal Regulations Section 31, as modified by state policies and procedures. Based upon final audit, the final payment to Contractor may exceed the Total Contract Amount without amending this Contract. State will pay the final payment due Contractor within 30 days of completion of the audit.

**Article 18 Conditions of Payment**

18.1 All services and goods provided by Contractor pursuant to this Contract must be in accordance with Article 24.1.

18.2 State will notify Contractor of any defective work and offer Contractor the opportunity to correct it within a reasonable amount of time. Contractor will not receive payment for work determined by State’s Authorized Representative to be defective or performed in violation of federal, state or local laws, ordinances, rules, or regulations until and unless Contractor has made the necessary corrections. Contractor will not receive additional compensation for rework performed to correct its defective work. Contractor must include hours spent on rework/correction on itemized invoices, but will invoice such hours at a rate of zero dollars per hour.

18.3 Retainage: Pursuant to Minnesota Statutes Section §16C.08, subdivision 5(b), no more than 90 percent of the compensation due under this Contract may be paid until the final product(s) of this Contract have been reviewed by the Commissioner of the Minnesota Department of Transportation or the Commissioner’s designee. The balance due and owing will be paid when (1) the Commissioner or the Commissioner’s designee determines that Contractor has fulfilled all the terms of this Contract; and (2) any necessary final audit has been completed.

(CSS/CM Reviewed 8/17/2011)
18.4 Subject to the provisions of Article 21.2.5, all services and goods covered by progress payments made by State will become the sole property of State. This provision must not be construed as relieving Contractor from its sole responsibility for all work and deliverables upon which payments have been made or from the responsibility to correct any defective work. State’s tender of progress payments will not be construed as waiving State’s right to require the fulfillment of all of the terms of this Contract.

18.5 Nothing in this Contract must be construed in any way to operate to relieve Contractor from its obligation to complete the services and deliver any goods described in this Contract for a sum not to exceed that set forth in the Special Terms.

Article 19 Procedure for Payment
19.1 State will promptly pay all valid obligations under this Contract as required by Minnesota Statutes §16A.124. State will make undisputed payments no later than 30 days after receiving Contractor’s invoices and progress reports for services performed. If an invoice is incorrect, defective or otherwise improper, State will notify Contractor within 10 days of discovering the error. After State receives the corrected invoice, State will pay Contractor within 30 days of receipt of such invoice.

19.2 Contractor must submit invoices electronically for payment, either monthly or as otherwise stipulated in the Special Terms of this Contract. Invoices must be submitted in the form prescribed by State. Contractor must submit the signed invoice, the signed progress report and all required supporting documentation, for review and payment, to State’s Consultant Services Section, at ptinvoices.dot@state.mn.us. Invoices will not be considered “received” within the meaning of Minnesota Statutes §16A.124 until the signed documents are received by State’s Consultant Services Section.

19.3 Invoices must identify the cost for the services performed and goods delivered for the billing period and must satisfy the requirements listed below:

19.3.1 Each invoice must contain the following information: State’s Contract Number, Contractor’s invoice number (sequentially numbered), Contractor’s billing and remittance address, if different from business address, and Contractor’s original signature attesting that the invoiced services and costs are new and that no previous charge for those services and goods has been included in any prior invoice.

19.3.2 Direct nonsalary costs allocable to the work under this Contract, as specified in the Special Terms of this Contract, must be itemized and supported with invoices or billing documents to show that such costs are properly allocable to the work. Direct nonsalary costs are any costs that are not the salaried costs directly related to the work of Contractor. Supporting documentation must be provided in a manner that corresponds to each direct cost.

19.3.3 Except for Lump Sum Contracts, Contractor must provide, upon request of State’s Authorized Representative, the following supporting documentation:

19.3.3.1 Direct salary costs of employees’ time directly chargeable for the services performed under this Contract. This must include a payroll cost breakdown identifying the name of the employee, classification, actual rate of pay, hours worked and total payment for each invoice period; and

19.3.3.2 Signed time sheets or payroll cost breakdown for each employee listing dates and hours worked. Computer generated printouts of labor costs for the project must contain the project number, each employee’s name, hourly rate, regular and overtime hours and the dollar amount charged to the project for each pay period.

Article 20 Audits and Inspections
20.1 Contractor’s books, records, documents and accounting procedures and practices relevant to this Contract are subject to examination by State’s Auditors and the State Auditor or Legislative Auditor, as appropriate, for six years from State’s final payment under this Contract.

20.2 Authorized representatives of State (and the Federal Highway Administration, if federal funds are involved) have the right to inspect Contractor’s work under this Contract, whenever such representatives, in their sole discretion, deem such inspections necessary. Unless otherwise agreed by the parties, such inspections will be conducted during regular working hours.

20.3 Work Effort Audits:

(CSS/CM Reviewed 8/17/2011)
20.3.1 State may conduct work effort audits for the various work tasks described in the Scope of Work. Completed work tasks will be randomly selected for Audit. Audits will include work effort reviews and effort level analysis to determine the reasonableness of the hours charged.

20.3.2 Contractor must maintain work effort progress reports showing work tasks, hours worked on the task by the various personnel assigned to this work and work effort performed by subcontractors assigned to the tasks. The progress report must be in the format as described in the Special Terms of this Contract.

Article 21 Government Data Practices and Intellectual Property

21.1 Government Data Practices. Contractor and State must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by State under this Contract, and as it applies to all data created, collected, received, stored, used, maintained or disseminated by Contractor under this Contract. The civil remedies of Minnesota Statutes Section §13.08 apply to the release of the data governed by the Minnesota Government Data Practices Act by either Contractor or the State.

21.1.1 If Contractor receives a request to release the data referred to in this Clause, Contractor must immediately notify State. State will give Contractor instructions concerning the release of the data to the requesting party before the data is released.

21.2 Intellectual Property Rights

21.2.1 Intellectual Property Rights of State. State owns all rights, title and interest in all of the intellectual property rights, including copyrights, patents, trade secrets, trademarks and service marks in the Works and Documents created and paid for under this Contract. Works means all inventions, improvements, discoveries (whether or not patentable), databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes and disks conceived, reduced to practice, created or originated by Contractor, its employees, agents and subcontractors, either individually or jointly with others in the performance of this Contract. Works includes “Documents”. Documents are the originals of any databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, disks or other materials, whether in tangible or electronic forms, prepared by Contractor, its employees, agents or subcontractors, in the performance of this Contract. The Documents will be the exclusive property of State and Contractor must immediately return all such Documents to State upon completion or cancellation of this Contract. To the extent possible, those Works eligible for copyright protection under the United States Copyright Act will be deemed to be “works made for hire”. Contractor assigns all right, title and interest it may have in the Works and Documents to State. Contractor must, at the request of State, execute all papers and perform all other acts necessary to transfer or record State’s ownership interest in the Works and Documents.

21.2.2 Intellectual Property Rights of Contractor. Contractor retains title and interest in all of its standard details, plans, specifications and engineering computation documents (“Previously Created Works and Documents”), whether in written or electronic form, which have been incorporated into the Works and Documents, but which were developed by Contractor independent of this Contract. Contractor issues to State a royalty-free, nonexclusive and irrevocable license to use the Previously Created Works and Documents.

21.2.3 Notification. Whenever Contractor reasonably believes it, or its employees or subcontractors, has made an invention, improvement or discovery (whether or not patentable) in the performance of this Contract, and has or actually or constructively reduced it to practice, Contractor will immediately give State’s Authorized Representative written notice thereof and must promptly furnish State’s Authorized Representative with complete information and/or disclosure thereon.

21.2.4 Representation. Contractor must perform all acts and take all steps necessary to ensure that all intellectual property rights in the Works and Documents created and paid for under this Contract are the sole property of State and that neither Contractor nor its employees, agents or subcontractors retain any interest in and to the Works and Documents created and paid for under this Contract, except that Contractor need not obtain patents, copyrights or trademarks. Contractor represents that
the Works and Documents created and paid for under this Contract do not and will not infringe upon any intellectual property rights of other persons or entities. Contractor will indemnify; defend, to the extent permitted by the Attorney General; and hold harmless State, at Contractor’s expense, from any action or claim brought against State to the extent that it is based on a claim that all or part of the Works or Documents created and paid for under this Contract infringe upon the intellectual property rights of others. Contractor will be responsible for payment of any and all such claims, demands, obligations, liabilities, costs and damages including but not limited to reasonable attorney fees. If such a claim or action arises, or in Contractor’s or State’s opinion is likely to arise, Contractor must, at State’s discretion, either procure for State the right or license to use the intellectual property rights at issue or replace or modify the allegedly infringing Works or Documents created and paid for under this Contract as necessary and appropriate to obviate the infringement claim. This remedy of State will be in addition to and not exclusive of other remedies provided by law. This Article does not apply to Contractor’s Previously Created Works and Documents as described in Article 21.2.2.

21.2.5 State’s Reuse of Works and Documents. If the Works and Documents created and paid for under this Contract are engineering plans, specifications or recommendations requiring the certification of a licensed professional engineer, State acknowledges that such plans, specifications and recommendations have been created solely for the specific project covered by this Contract and may not be suitable for reuse on other projects. There shall be no restriction on reuse of the Works and Documents created and paid for under this Contract, but reuse without the written verification or adaptation by Contractor shall be done at State’s sole risk and without liability to Contractor.

21.3 Delivery of Documents. The originals of non-electronic deliverables required under this Contract must be relinquished to State:

21.3.1 Upon written notice of completion or termination of this Contract;

21.3.2 Upon written notification by State; or

21.3.3 Upon final payment by State to Contractor for this Contract.

Article 22 Quality Assurance and Quality Control

22.1 Contractor must have a QA/QC Plan. After executing this Contract, Contractor must promptly provide a QA/QC Plan to State’s Authorized Representative for acceptance. Contractor must adhere to the accepted QA/QC Plan in performing its work under this Contract. Contractor’s accepted QA/QC Plan is incorporated into this Contract by reference. Each deliverable submitted to State must include Contractor’s written certification that the deliverable was developed in compliance with the QA/QC Plan. State may terminate this Contract for Contractor’s failure to follow the QA/QC Plan for this Contract.

Article 23 Standard of Care; Liability for Work

23.1 In the performance of its professional services, Contractor will use that degree of care, knowledge and skill ordinarily exercised by other reputable professionals in the field under like circumstances within the State of Minnesota.

23.2 Contractor will be responsible for any damages incurred as a result of its failure to comply with the standard of care or other failure to comply with Contract requirements, and for any loss or cost to repair or remedy such non-compliance.

23.3 Contractor will not be liable for special, incidental, consequential or punitive damages, including but not limited to those arising from delay, loss of use, loss of profits or revenue, loss of financing commitments or fees or the cost of capital. State acknowledges its duty to mitigate damages.

Article 24 Deliverable Standards

24.1 Any services or goods provided by Contractor pursuant to this Contract, which do not meet the requirements of this Article 24.1, will be considered defective work. All services and goods provided by Contractor pursuant to this Contract must be in accordance with the following:

24.1.1 The requirements and specifications set forth in the Special Terms of this Contract;

24.1.2 The required standard of care;

24.1.3 Applicable state and federal standards, specifications, policies and practices; and

24.1.4 Applicable federal, state, and local laws, ordinances, rules and regulations.
24.2 State has the authority to reject services and goods that do not meet the requirements of Article 24.

24.3 Contractor will perform its duties as expeditiously as is consistent with professional care and skill and the orderly progress of the project. If Contractor fails to substantially perform its duties by the time fixed for the completion of the work, State may immediately terminate this Contract. Neither party will be held responsible for delay or failure to perform when such delay or failure is due to a “force majeure event” as defined in Article 15, and the notice required by Article 15 is provided.

24.4 Acceptance of services and goods by State is not a waiver of any provision of this Contract and does not relieve Contractor of the responsibility for correcting a subsequently-discovered failure to conform to the requirements of Article 24.

24.5 Contractor will be responsible for promptly making such revisions, repairs or corrections to its work as are necessary to meet the requirements of Article 24. Such revisions, repairs and corrections will be made without additional compensation.

24.6 It is understood by the parties that State will rely on the professional performance and ability of Contractor. Any examination by State or the Federal Highway Administration, or any acceptance or use of the work product of Contractor will not be considered to be a full and comprehensive examination and will not be considered an approval of the work product of Contractor which would relieve Contractor from any liability or expense that could be connected with Contractor’s sole responsibility for the propriety and integrity of the professional work to be accomplished by Contractor pursuant to this Contract.

24.7 Contractor must confer with State at any time during construction or any phase of work performed by others based on deliverables provided by Contractor, when necessary for the purpose of interpreting or clarifying such deliverables. Contractor must give immediate attention to these requests so there will be minimal delay to the construction or other work as referenced.

24.8 If State determines that additional field or office work may be required due to Contractor’s failure to comply with the standards set forth in Article 24, then Contractor will be required to perform such additional work as may be necessary to bring the work into compliance with such standards. Contractor must prepare any and all plans or data needed to correct its deliverables without additional compensation, even though Contractor may already have received final payment. Contractor must give immediate attention to these changes so there will be minimal delay to the construction or other work as referenced.

24.9 State will notify Contractor of any request for interpretation, clarification or correction. Notification may be in writing, or by telephone and confirmed in writing. Contractor will respond to such notice within three business days and will promptly perform the necessary services to minimize any delays to State. Contractor may be required to make a field review of the project site, as defined in the Special Terms of this Contract, if directed by State’s Authorized Representative, and Contractor may be required to send personnel to the appropriate State district office as part of performing the necessary services.

24.10 The foregoing notwithstanding, the parties understand and agree that Contractor must rely on documents, drawings, specifications and studies provided to Contractor by State and others on its behalf in making its opinions of conformity to specifications and standards. Contractor will not be entitled to rely on such documents, drawings or specifications that Contractor knows to be incorrect or incomplete, unless it has first brought such concerns to the attention of State and has been directed to proceed notwithstanding such concerns.

Article 25 Indemnity

25.1 Contractor must indemnify, save and hold State, its agents and employees harmless from any and all claims or causes of action, including reasonable attorney’s fees incurred by State, resulting from the negligent act or omission of Contractor, or any entity for which the Contractor is legally responsible, in the performance of this Contract. This clause will not be construed to bar any legal remedies Contractor may have for State’s failure to fulfill its obligations pursuant to this Contract.

Article 26 Insurance

26.1 Contractor must provide a certificate of insurance showing that Contractor has each type of insurance coverage and limits required under this Contract. The certificate must be filed with State’s Authorized Representative within 30 days of execution of this Contract, and prior to commencement of any work under this Contract.

26.2 Contractor must maintain and furnish satisfactory evidence of the following insurance policies:

26.2.1 Commercial General Liability Insurance, providing coverage for claims for damages for bodily
injury, including sickness or disease, death and for care and loss of services as well as from claims for property damage including loss of use which may arise from work performed under this Contract, whether such operations be by Contractor or by a subcontractor or by anyone directly or indirectly employed under this Contract. Unless otherwise specified within this Contract, Contractor’s insurance minimum limits are as follows:

- $2,000,000.00 – per occurrence
- $2,000,000.00 – annual aggregate
- $2,000,000.00 – annual aggregate – Products/Completed Operations

In addition, the following coverages are required:
- Premises and Operations Bodily Injury and Property Damage
- Personal and Advertising Injury
- Products and Completed Operations Liability
- Blanket Contractual Liability
- Name State as an Additional Insured

26.2.2 Commercial Automobile Liability Insurance, providing coverage for claims for damages for bodily injury, as well as from claims for property damage resulting from the ownership, operation, maintenance or use of all owned, hired and non-owned automobiles, which may arise from operations under this Contract, and in any case where any work is subcontracted, Contractor will require the subcontractor to maintain Commercial Automobile Liability Insurance. Unless otherwise specified within this Contract, Contractor insurance minimum limits are as follows:

- $2,000,000.00 – per occurrence Combined Single limit for Bodily Injury and Property Damage

In addition, the following coverages are required:
- Owned, Hired and Non-owned

26.2.3 Watercraft Liability Insurance, when necessary to use watercraft for the performance of the Contractor’s services under the terms of this Contract, either by Contractor or any subcontractor, and if excluded by commercial general liability coverage, watercraft liability with a minimum limit of $2,000,000.00 Combined Single Limit for Bodily Injury and Property Damage, including Protection & Indemnity where applicable. Coverage will apply to owned, non-owned and hired watercraft.

26.2.4 Aircraft Liability Insurance, when necessary to use aircraft for the performance of Contractor’s services under the terms of this Contract, either by Contractor or a subcontractor, aircraft liability with a minimum limit of $5,000,000.00 Combined Single Limit for Bodily Injury and Property Damage, including Passenger Liability. Coverage will apply to owned, non-owned and hired aircraft. State, all approving parties and all of their officers, agents and employees will be named as additional insured’s.

26.2.5 Professional/Technical, Errors and Omissions and/or Miscellaneous Liability Insurance, providing coverage for all claims Contractor is legally obligated to pay resulting from any actual or alleged negligent act, error or omission related to Contractor’s professional services performed under this Contract. Unless otherwise specified within this Contract, Contractor’s professional liability insurance minimum limits are as follows:

- $2,000,000.00 – per claim
- $2,000,000.00 – annual aggregate

On request, Contractor must allow State to view reviewed or audited financial statements signed by a Certified Public Accountant which provides evidence that Contractor has adequate assets to cover any deductible in excess of $50,000.00 that applies to this policy. State will treat such financial statements as non-public data to the extent permitted by the Minnesota Government Data Practices Act. The retroactive or prior acts date of coverage must not be later than the effective date of this Contract and Contractor must maintain such coverage for a period of at least three years following the completion of work. If such insurance is discontinued, then extended reporting period coverage must be purchased to fulfill this requirement.
26.2.6 Railroad Protective Liability Insurance, for work on railroad property, coverage in accordance with Minnesota Department of Transportation, Specification 1708.2 (2005 Edition, including any subsequent changes or modifications to this specification) if such coverage is excluded from the insurance required by 26.2.1.

26.3 Additional Insurance Conditions:
26.3.1 Contractor’s policies will be primary insurance to any other valid and collectible insurance available to State with respect to any claim arising out of Contractor’s performance under this Contract;
26.3.2 If Contractor receives a cancellation notice from an insurance carrier affording coverage herein, Contractor agrees to notify the State of Minnesota within five business days with a copy of the cancellation notice, unless Contractor’s policy(ies) contain a provision that coverage afforded under the policy(ies) will not be cancelled without at least 30 days advance written notice to the State of Minnesota.
26.3.3 Contractor’s policies and Certificates of Insurance will contain a provision that coverage afforded under the policies will not be canceled without at least 30 days advance written notice to State;
26.3.4 Contractor is responsible for payment of Contract related insurance premiums and deductibles;
26.3.5 If Contractor is self insured, a Certificate of Self-Insurance must be attached
26.3.6 Contractor’s policies will include legal defense fees in addition to its liability policy limits, with the exception of 26.2.5 above; and
26.3.7 Contractor will obtain insurance policies from insurance companies having an “AM BEST” rating of “A minus”, a Financial Size Category VII or better and authorized to do business in the state of Minnesota.

26.4 An Umbrella or Excess Liability insurance policy may be used to supplement Contractor’s policy limits to satisfy the full policy limits required by this Contract.
26.5 State reserves the right to immediately suspend this Contract if Contractor is not in compliance with the insurance requirements and retains all rights to pursue any legal remedies against Contractor. If State suspends this Contract for Contractor’s noncompliance with the insurance requirements, Contractor will have 10 days from its receipt of notice of the suspension to cure the noncompliance. If Contractor does not cure its noncompliance with the insurance requirements within 10 days, State may immediately rescind this Contract. All insurance policies must be open to inspection by State, and copies of policies must be submitted to State’s Authorized Representative upon written request.

Article 27 Independent Contractor; Workers’ Compensation
27.1 Any and all employees of Contractor, including its subcontractors, or other persons while engaged in the performance of any work or services required by Contractor under this Contract, will not be considered employees of State. Any and all claims that may arise under the Workers’ Compensation Act of Minnesota on behalf of said employees, or other persons while so engaged, and any and all claims made by any third party under the Workers’ Compensation Act of Minnesota as a consequence of any act or omission on the part of Contractor’s employees, or other person while so engaged on any of the work or services to be rendered, will in no way be the obligation or responsibility of State.
27.2 Prior to commencing work under this Contract, Contractor must present evidence, acceptable to State, that Contractor is either in compliance with the requirements of Minnesota Statutes Section §176.182, or is exempt from such requirements. If claiming exemption from such requirements, Contractor must state the specific basis on which it claims exemption. Contractor will provide Workers’ Compensation insurance for all Contractor employees and, in case any work is subcontracted, Contractor will require the subcontractor to provide Workers’ Compensation insurance in accordance with the statutory requirements of state of Minnesota, including Coverage B, Employer’s Liability, at limits not less than $100,000.00 bodily injury by disease per employee; $500,000.00 bodily injury by disease aggregate; and $100,000.00 bodily injury by accident. Evidence of subcontractor’s insurance must be filed with Contractor.

Article 28 Early Retirement Incentive Reemployment Prohibition
28.1 Laws of Minnesota 2010, Chapter 337, Subdivision 5, provided an early retirement incentive to some State of Minnesota employees. The law provides that an individual who received an early retirement incentive payment may not be hired as a consultant by any agency or entity that participates in the State
Employee Group Insurance Program for a period of three years after termination of service. The Contractor certifies that it will not utilize any former state employee in the performance of this Contract who received an retirement incentive payment under Laws of Minnesota 2010, Chapter 337, unless three years have passed from the date of the employee’s separation from state service.

Article 29 Compliance with Licenses, Permits and Other Regulations

29.1 Contractor must procure all licenses, permits or other rights necessary to fulfill its obligations under this Contract in compliance with applicable federal and state laws.

Article 30 Affirmative Action

30.1 For Contracts in excess of $100,000.00, Contractor certifies that it is either in compliance with or exempt from the requirements of Minnesota Statutes Section §363A.36.

30.2 Contractor certifies that it is an equal opportunity employer and complies with Title VI of the Civil Rights Act of 1964, and the President’s Executive Order Number 11246 as amended by Executive Order Number 11375. Accordingly, 49 Code of Federal Regulations Part 21 (including its appendices) and 23 Code of Federal Regulations Part 200 will be applicable.

30.3 If Contractor had more than 40 full-time employees within the State of Minnesota on a single working day during the previous twelve months Contractor must comply with the following Affirmative Action requirements for disabled workers:

30.3.1 Contractor must not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. Contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified disabled persons without discrimination based upon their physical or mental disability in all employment practices such as the following: Employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship.

30.3.2 Contractor will comply with the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.

30.3.3 In the event of Contractor’s noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance may be taken in accordance with Minnesota Statutes Section §363A.36 and the rules of relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.

30.3.4 Contractor will post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the commissioner of the Minnesota Department of Human Rights. Such notices must state Contractor’s obligation under the law to take affirmative action to employ and advance in employment qualified disabled employees and applicants for employment and the rights of applicants and employees.

30.3.5 Contractor must notify each labor union or representative of workers with which it has a collective bargaining agreement or other Contract understanding, that Contractor is bound by the terms of Minnesota Statutes Section §363A.36 or the Minnesota Human Rights Act and is committed to take affirmative action to employ and advance in employment physically and mentally disabled persons.

Article 31 Federal Clauses

31.1 If Federal Funds are involved with this Contract, the following additional conditions apply:

31.1.1 Federal reimbursement will be limited to the Federal share of costs which are allowable under the Federal cost principles contained in the Federal Acquisition Regulation, Contract Cost Principles and Procedures, 48 Code of Federal Regulations Part 31.

31.1.2 Contractor warrants and represents that State and the Federal Highway Administration will have a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use for federal, state or local government purposes, any patentable subject matter or copyrightable materials developed, or any rights of copyright to which State has purchased ownership, under this Contract, but such warranty and representation is subject to the provisions of Article 23. When applicable, the patent rights provisions of 48 Code of Federal Regulations Part 27 will apply to this Contract regarding rights to inventions. Such provisions are incorporated by reference and must be incorporated in all subcontracts by reference.
31.1.3 Federal-Aid Contracts: Contractor acknowledges that by signing this Contract, it certifies to the best of its knowledge and belief:

31.1.3.1 That no Federal appropriated funds have been paid or will be paid, by or on behalf of Contractor, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress or an employee of a Member of Congress in connection with the awarding of any Federal contract or the making, extension, continuation, renewal, amendment or modification of any Federal grant, loan or cooperative agreement.

31.1.3.2 That if any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress an officer or employee of Congress or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, Contractor must complete and submit Standard Form-LLL, “Disclosure Form to Report Lobbying”, in accordance with its instructions.

31.1.3.3 That this certification is a material representation of fact upon which reliance was placed when this transaction was made or entered. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 United States Code Section 1352. Any person who fails to file the required certification will be subject to a civil penalty.

31.1.3.4 That it must require that the language of this certification be included in all lower tier subcontracts, which exceed $100,000.00 and that all such subcontractors must certify and disclose accordingly.

31.1.4 Contractor must comply with applicable standards, orders or requirements issued under Section 306 of the Clean Air Act, 42 United States Code Section 7606; Section 508 of the Clean Water Act, 33 United States Code Section 1368; Executive Order Number 11738; and all applicable regulations promulgated by the United States Environmental Protection Agency.

Article 32 Data Disclosure
32.1 Pursuant to Minnesota Statutes Section §270C.65, Contractor consents to disclosure of its social security number, federal employer tax identification number and Minnesota tax identification number to federal and state tax agencies and state personnel involved in the payment of state obligations. These identification numbers may be used in the enforcement of federal and state tax laws which could result in action requiring Contractor to file state tax returns and pay delinquent state tax liabilities, if any.

Article 33 Printing, Paper Stock, and Ink Requirements
33.1 If this Contract results in reports or documents paid for by State, Contractor must comply with Minnesota Statutes Sections §16B.121 and §16B.122, for the purchase of printing, paper stock and printing ink.

Article 34 Officials Not to Benefit
34.1 Contractor must obtain State’s written consent prior to employing any professional or technical personnel to provide or assist Contractor in providing, services under this Contract when the personnel are or have been employed by State at any time during the time period of this Contract. This Article 34 does not apply to employees who have retired from State service during the time period of this Contract.

34.2 Contractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Contractor, to solicit or secure this Contract and that Contractor has not paid or agreed to pay any company or person, other than a bona fide employee working for Contractor, any fee, commissions, percentage, brokerage fee, gifts or any other consideration, contingent upon or resulting from the award of making of this Contract.

Article 35 Publicity and Endorsements
35.1 Contractor must obtain State’s approval prior to releasing any publicity regarding the subject matter of this Contract. Publicity includes, but is not limited to, notices, informational pamphlets, press releases, research, reports, signs and similar public notices prepared by or for Contractor or its employees or subcontractors. Publicity does not include notices of the Contract award or identification of the project in statements of
qualifications or proposals made to government agencies.

35.2 Contractor must not claim that State endorses its products or services.

Article 36 Hazardous Materials
36.1 State will notify Contractor of any knowledge or suspicion of the presence of hazardous or dangerous materials at a site or in a sample provided to Contractor. State agrees to provide Contractor with information in its possession or control relating to contamination at the work site. Except where the Contract contemplates the presence of such materials, if Contractor observes or suspects the presence of contaminants not anticipated in the Special Terms of this Contract, Contractor may terminate its work without liability to State or to others and Contractor will be paid for the services it has provided.

36.2 Neither this Contract nor the providing of services will operate to make Contractor an owner, operator, generator, transporter, treater, storer or disposal facility within the meaning of the Resource Conservation Recovery Act, as amended, or within the meaning of any other law governing the handling, treatment, storage or disposal of hazardous materials.

Article 37 Safety
37.1 Contractor will provide a health and safety plan or program for its employees, but Contractor will not be responsible for another contractor, job or site health or safety unless Contractor accepts that duty in writing.

37.2 If Contractor is providing site testing and observation services, State will provide Contractor, at no cost to Contractor, with legal access to work areas to be observed or inspected by Contractor in accordance with the Contract documents, Occupational Safety and Health Administration standards and any other relevant safety requirements, unless Contractor accepts a duty to provide such safety measures in writing.

Article 38 Termination and Suspension
38.1 This Contract may be immediately terminated or suspended by State or the Commissioner of Administration, at any time, with or without cause, upon written notice to Contractor. In the event of such termination or suspension Contractor will be entitled to payment, determined on a pro rata basis, for services and goods performed or delivered, except for defective work. If such suspension is not lifted within 90 days from the notice of suspension, Contractor may terminate this Contract by providing State with a written notice of such termination.

38.2 In the event State cannot or does not obtain funding from the Minnesota Legislature, or funding cannot be continued at a level sufficient to allow for the purchasing of the services and goods contained herein, this Contract may be immediately terminated or suspended, at State’s option, by written notice of termination or suspension delivered in person, by mail or facsimile to Contractor at the address specified in this Contract. State will not be obligated to pay for any services and goods provided by Contractor after such notice of termination. If this Contract is suspended for lack of funding, State will not be obligated to pay for any services and goods provided by Contractor after the date of suspension unless or until such suspension is lifted. If such suspension is not lifted within 90 days of such notice of suspension, Contractor may terminate this Contract by providing State with a written notice of such termination.

Article 39 Disputes
39.1 State’s Authorized Representative will be the initial interpreter of the requirements of this Contract and will judge the acceptability of the work hereunder. Claims, disputes and other matters relating to the acceptability of the work will be referred in writing to State’s Authorized Representative, with a request for a formal decision to be rendered in writing within a reasonable time. Written notice of each such claim, dispute or other matter must be delivered by Contractor to State’s Authorized Representative within 30 days of the occurrence of the event giving rise to the claim, dispute or other matter. Written supporting data must be submitted to State’s Authorized Representative within 45 days of each such occurrence, unless State’s Authorized Representative allows an additional period of time to ascertain more accurate data. Contractor will continue to perform while any such claim or dispute is pending.

39.2 The rendering of a decision by State’s Authorized Representative will be a condition precedent to Contractor’s exercise of such rights and remedies as it may have under this Contract or at law in respect to any claim, dispute or other matter.

Article 40 Discrimination Prohibited by Minnesota Statutes §181.59

(CSS/CM Reviewed 8/17/2011)
Contractor will comply with the provisions of Minnesota Statutes § 181.59 which requires that Every Contract for or on behalf of the State of Minnesota, or any county, city, town, township, school, school district or any other district in the state, for materials, supplies or construction will contain provisions by which Contractor agrees: 1) That, in the hiring of common or skilled labor for the performance of any work under any Contract, or any subcontract, no Contractor, material supplier or vendor, will, by reason of race, creed or color, discriminate against the person or persons who are citizens of the United States or resident aliens who are qualified and available to perform the work to which the employment relates; 2) That no Contractor, material supplier, or vendor, will, in any manner, discriminate against, or intimidate, or prevent the employment of any person or persons identified in clause (1) of this section, or on being hired, prevent or conspire to prevent, the person or persons from the performance of work under any Contract on account of race, creed or color; 3) That a violation of this section is a misdemeanor; and 4) That this Contract may be canceled or terminated by the State of Minnesota, or any county, city, town, township, school, school district or any other person authorized to grant Contracts for employment, and all money due, or to become due under the Contract, may be forfeited for a second or any subsequent violation of the terms or conditions of this Contract.
