## Vision Waiver Maintenance Requirements

Once an applicant is accepted into a MN/DOT vision waiver program there are six requirements that must be complied with in order to retain the waiver.

### **Failure to comply with any of the following special conditions may result in the revocation of the waiver.**

As a waived driver, you will be required to report in writing to the State Programs Administrator at the Mn/DOT Office of Freight and Commercial Vehicle Operations any of the following:

1. an annual eye report from your Optometrist or Ophthalmologist must be submitted to this office 15 days prior to anniversary date of issuance of waiver;
2. any citation for a moving traffic violation involving the operation of a CMV no later than 15 days following issuance of citation. A photocopy of the citation must accompany the written report;
3. the judicial/administrative disposition of any citation for a moving violation involving a CMV no later than 15 days following notice of disposition;
4. involvement in any accident whatsoever while operating a CMV no later than 15 days following the accident. Include copies of State, insurance company, and/or motor carrier accident reports;
5. any change of residence, or telephone number no later than 15 days after such a change; and
6. any change of employer (including name, address, telephone number), or type of vehicle operated no later than 15 days after such a change.
