

Evaluating a Route

Evaluate a Route: provide your route and our system will evaluate and determine if it is appropriate.

Minnesota Department of Transportation
Office of Freight & Commercial Vehicle Operations
Oversize & Overweight Permit section

08/09

Wednesday, Jul. 22, 2009
Welcome, *debbiede*

App No:

Permit Vehicles Size/Wt. **Route**

Load Length: 75 ft

End: 26Jul2009

Locations

	Route	Dir	Miles	Proximity	Location	Info
Start	MN58	N	1.80	SOUTH OF	JCT US61 US63 MN58	...
Via 1						...
Via 2						...

Operation: Evaluate Generate Evaluate...

Directions

First, set the operation mode to Evaluate to have the system review your proposed route.

Enter the highway number (you don't need to enter MN, US or I) on the Start line. In the Location field, enter a city, town or junction. Press Tab key to begin.

Wednesday, Jul. 22, 2009
Welcome, *debbiede*

App No:

Permit Vehicles Size/Wt. **Route**

Load Length: 75 ft

Height: 13-6 ft-in

Width: 10-6 ft-in

Bridge Class: L

Dates Start: End:

Locations

	Route	Dir	Miles	Proximity	Location	Info
Start	MN58	N	1.80	SOUTH OF	JCT US61 US63 MN58	...
Via 1	US61	N		AT	JCT US61 US63 MN58	...
Via 2						...
Via 3						...

End: US61 N

Status: Current Status: N/A

Directions

Go to Via 1 and enter the next highway number you want to travel on.

Use the Tab key to move between fields.

Note: The system can only evaluate routes that are State Trunk Highways (i.e. MN, US and Interstate roads).
