

Tennessee Warning

Minn. Stat. §13.04, subd. 2

In submitting your registration for intrastate passenger carrier authority, you are required to file, with MnDOT, a complete and accurate federal motor carrier identification report form MCS-150, which requires some private or confidential information about yourself. Specifically, you are asked to provide IRS/Tax ID No (EIN and/or Social Security Number). Minnesota Statutes, section 13.355, classifies a social security number, in whole or in part, as private data on individuals.

Before you give MnDOT permission to collect and/or release private or confidential data about you, MnDOT encourages you to review the information listed on this data privacy notice (also called a Tennessee Warning).

As required by Minn. Stat. s. 221.0252, subd. 1, MnDOT requires you to submit the federal form (MCS-150) as part of your registration to operate as an intrastate motor carrier of passengers. The MCS-150 requires the applicant to provide IRS/Tax ID No (EIN and/or Social Security Number). MnDOT's Office of Freight and Commercial Vehicle Operations credentialing staff will use this information to review and process your registration, and it will become part of the carrier file maintained by MnDOT. While you may legally refuse to supply the requested data, Minnesota law requires that it be provided before MnDOT may complete your registration; and, failure to provide it may result in denial of your application.

MnDOT does not share the protected information with any other persons or entities. With some exceptions, unless you consent to further release of the private information, release of this information will be limited to the following:

- U.S. Department of Transportation, Federal Motor Carrier Safety Administration;
- Minnesota Department of Public Safety, Commercial Vehicle Section;
- Law enforcement personnel requiring access for investigative purposes;
- Staff at the Minnesota Attorney General's Office in the event of legal action; and,
- Persons who possess a court order to receive the information.

Note: This Tennessee Warning is specific to registration as an intrastate Motor Carrier of Passengers. For all other applications requiring the Tennessee Warning, it is part of the application.
