

How to Find Information about STS Provider Requirements

Go to: <https://www.revisor.mn.gov/rules/>

On the home page of The Office of The Revisor of Statutes (shown here), type in the Rule part or Chapter number you want to reference in the box titled, "Retrieve by number". *For example, to read about STS Provider Requirements, type in 8840.5400. From the drop down box, select "Rules".*

You will find information on general provider requirements, initial STS provider training, recordkeeping and links to related information.
