- Various annual and seasonal permits and how to apply for them
- Recording and authorizing moves (trips) on your annual permit
- Storing individual vehicle information for later retrieval without re-entering data
- Searching a previous permit and use it as a template for a new permit
- Properly entering vehicle axle configurations (such as weights, tire sizes, and axle spacings)
- Putting an application on Hold to complete later
- Evaluating your route, or let the online permitting system find you a route
- What to do when your route fails
- Applications needing Bridge Rating review
- Escort requirements
- Weight restrictions
- Using the new payment process
- Managing your contact info and payment profiles
- Making the best use of the online permitting system
- Reviewing CVO web sites that can help in other aspects of your operation
