

Weekly Construction Update S.P. 6910-89 Grand Avenue Reconstruction

Week 6

DATE: July 15, 2015

The following construction activities will be worked on this week:

- **Traffic delays can be expected this week flagging is intermittent depending on contractor operations.**
- Culvert Pipe installation near 82nd ave west and near the Zoo at 72nd Ave west:
- Saw cutting and removals are continuing on the west bound lanes in the lane switch areas which will extend east to Redruth
- Storm sewer installation
- Building demolition near the Zoo
- Piling for bridge 69078 will be installed Thursday
- A lane Switch will be placed at 82nd Ave. West to allow for the completion of the storm sewer installation. Traffic will be on a gravel surface in the work area.
- Single lane traffic will be extended to Redruth Street.
- **Please drive with caution in the construction zone as activity will be ramping up daily including more construction trucks and equipment at numerous locations. The major work area at this time is between 72nd Ave. west and 82nd Ave. west.**
- **Entrance to the Zoo is at 71st ave west it will stay at this location for a few more weeks.**

Traffic changes expected this week:

- A lane shift will be installed at the 82nd Ave. west area traffic will be on a gravel surface for a couple of weeks during the installation of the culvert.

Contact information about the project:
