

Weekly Construction Update S.P. 6910-89 Grand Avenue Reconstruction

Week 19

DATE: October 16, 2015

The following construction activities will be worked on this week:

- Milling and paving west of 75th ave west
- Pond construction at 72nd ave west
- Bridge construction
- Curb and walk on east end of project.
- Utility relocation near the bridge
- Installation of signal and lighting components at various locations on the project
- **Please drive with caution in the construction zone . Traffic delays can be expected during some construction activities. Traffic switches are expected as paving and milling continue on the project.**

Traffic changes expected this week: Traffic is expected to be shifted on the west end of the project as milling and paving continue.

Contract schedule : The contractor is behind schedule and is making efforts to make up ground by increasing crews on the project.

Contact information about the project:

MnDOT Project website <http://www.dot.state.mn.us/d1/projects/Hwy23grand/index.html>

You can sign up on the web site for contacts and an e mail will be sent as project changes are updated. Updates will be posted weekly or as major changes to traffic occur on the project.
