

Weekly Construction Update S.P. 6910-89 Grand Avenue Reconstruction

2016

DATE: May 4, 2016

The following construction activities will be worked on next week:

- Traffic control
- Grading for curb and concrete sidewalk
- Installing new concrete sidewalks and curbs on north end of project
- Installation of Pedestrian crossing system near 62nd ave west.
- Lining of sanitary and storm sewer pipes
- New concrete pavement has been placed at the bridge location
- General cleanup is also being done on the project
- **Please drive with caution in the construction zone**

Traffic changes expected this week:

Traffic is in a single lane from 1-35 to about 75th ave. west

All Businesses are open some are using temporary driveways as new driveways are installed.

Work remaining this year.

The work remaining is generally on the south side of the road on the east bound lanes.

New curb, sidewalk and bituminous pavement remain. The bridge area work includes curb, sidewalk, railings, and a wearing course. The work under the bridge was completed during the winter.

Contact information about the project:

MnDOT Project website <http://www.dot.state.mn.us/d1/projects/Hwy23grand/index.html>

You can sign up on the web site for contacts and an e mail will be sent as project changes are updated. Updates will be posted weekly or as major changes to traffic occur on the project.
