

# Weekly Construction Update S.P. 6910-89 Grand Avenue Reconstruction

## Week 9

DATE: August 5, 2015

The following construction activities will be worked on this week:

- The entrance to the Zoo is now on Fremont Street as construction is taking place on 71<sup>st</sup> ave west.
- **Traffic delays can be expected this week flagging is intermittent depending on contractor operations. Work locations have expanded and the traffic delays have increased . Please use caution when exiting from SB 1-35 during afternoon hours as traffic backups are extending back to the freeway.**
- Culvert Pipe installation near Redruth Street and near the Zoo at 72<sup>nd</sup> Ave west:
- Along with the pipe installation Sheet pile will be installed due to the depth of the excavation.
- Saw cutting and removals are continuing on the west bound lanes in the lane switch areas which will extend east to Redruth
- Concrete pavement will be placed at 82<sup>nd</sup> Ave. West.
- Single lane traffic will be extended to Redruth Street.
- **Please drive with caution in the construction zone as activity will be ramping up daily including more construction trucks and equipment at numerous locations. Work is located from 82<sup>nd</sup> Ave. West to Redruth Street.**
- **Entrance to the Zoo is at 71<sup>st</sup> ave west it will stay at this location for a few more weeks.**

Traffic changes expected this week:

- Flagging will take place near Redruth Street during piling installation. This may cause traffic delays in the morning and afternoon.

Contact information about the project:

MnDOT Project website <http://www.dot.state.mn.us/d1/projects/Hwy23grand/index.html>

You can sign up on the web site for contacts and an e mail will be sent as project changes are updated. Updates will be posted weekly or as major changes to traffic occur on the project.
