

Weekly Construction Update S.P. 6910-89 Grand Avenue Reconstruction

2016

DATE: May 11, 2016

Please drive with caution in the construction zone

The following construction activities will be worked on next week:

- New concrete pavement patches near Tappa Keg Inn which is causing confusion about the entry to the business, a temporary entrance is on the north side of the building. Signs have been located near the temporary driveway.
- The landscape supply is also open using the alternate driveway.
- Traffic control
- Grading for curb and concrete sidewalk
- Installing new concrete sidewalks and curbs on north end of project
- Installation of Pedestrian crossing system near 62nd ave west.
- Placing wear course on bridge deck
- New concrete pavement patches near Tappa Keg Inn
- General cleanup is also being done on the project

Traffic changes expected this week:

- Traffic is in a single lane from 1-35 to about 75th ave. west
- All Businesses are open some are using temporary driveways as new driveways are installed. This includes the Tappa Keg Inn which is using an alternate driveway this week but they are open follow signs near the building to access the building.
- Work remaining this year.
- The work remaining is generally on the south side of the road on the east bound lanes. New curb, sidewalk and bituminous pavement remain. The bridge area work includes curb, sidewalk, railings, and a wearing course. The work under the bridge was completed during the winter.
