

**S.P.
Grand**

**Weekly Construction Update
6910-96
Avenue 2 Reconstruction
2016**

DATE: November 17, 2016

Traffic control will be removed today and all 4 lanes will be opened to traffic from 1-35 to Becks Road

The following construction activities will be worked on next week if weather permits

- **Backfilling Curbs**
- **Installation of signs**
- **Installation of attenuator at Munger Bridge**
- **Project Cleanup**
- **All work will be done using daytime lane closures**

The construction work will be ending in a couple of weeks and the project will restart in May with completion in the Middle of June , 2017

Contact information about the project:

MnDOT Project website <http://www.dot.state.mn.us/d1/projects/Hwy23grand/index.html>

You can sign up on the web site for contacts and an e mail will be sent as project changes are updated. Updates will be posted weekly or as major changes to traffic occur on the project.
