

Highway 23 Improvement Project in St. Cloud

Washington Memorial Drive to Wilson Avenue; Lake George & Mississippi River bridges

- Install new Highway 23 intersection traffic signal systems at 5th, 7th and 14th Avenues
- Update traffic signal systems at Washington Memorial Drive and Wilson Avenue
- Install a new pedestrian crossing signal between 12th and 13th Avenues
- Remove current traffic signalized (crossover) intersections and replace with concrete medians at 4th, 6th, 8th and 12th Avenues
- Install a new city traffic signal system at 10th Avenue/1st Street S
- Repave the surface throughout the corridor
- Reconstruct the city parking lot (Cloverleaf) across from Lake George
- Reconstruct 9th/10th Avenue from 1st Street to 4th Street and Riverside Drive at the bridge
- Install new city water and sewer, curb and gutter, sidewalks and street lighting
- Replace the overpass at Lake George (9th/10th Avenue) that includes on and off ramps
- Reconstruct the Mississippi River bridge

a Washington Memorial Drive to Fourth Avenue includes the overpass at Lake George

Tim Paul, Mn/DOT Project Supervisor
Bill Nelson, Landwehr Construction Inc.

b Fourth Avenue to Wilson Avenue includes the Mississippi River Bridge

Micky Klasen, Mn/DOT Project Supervisor
Bruce Reihl, Lunda Construction Company
