Updated 03-17-20

#1—US Hwy 12 and Hwy 22—DETOUR (2-year project: 2019-2020)
In Litchfield, reconstruct US 12 from 4th St. to E. Commercial St., and from the intersection of US 12/Hwy 22 to N. Holcombe Ave., and, reconstruct N. Holcombe Ave. from US 12 to E. 1st Ave. Upgrade sidewalks and pedestrian crossings along the project area.

#2—US Hwy 12 and Hwy 40—DETOUR (2-year project: 2019-2020)
Realign US Hwy 12 and reconstruct Hwy 40, including two new bridges, to facilitate a new railroad line (Willmar Wye) on the west side of Willmar.

#3—Hwy 15—DETOUR
Reconstruct Hwy 15 in Hutchinson from 2nd Ave. to 5th Ave. S. and resurface Hwy 15 from 5th Ave. S. to just north of the roundabout at CR 115. Upgrade sidewalks and pedestrian crossings along the project area.

#4—Hwy 19—DETOUR
Slope repair and stabilization of road embankment on Hwy 19 east of Morton.

#5—Hwy 19 and US Hwy 59
In Marshall, resurface Hwy 19 from the junction of Hwy19/23 to just west of 280th Ave., and resurface US 59 from north of Lyon CR 33 to south of Yellow Medicine CR 3.

#6—Hwy 23—DETOUR
Resurface Hwy 23 from Cottonwood to Granite Falls. Replace metal pipes with box culverts, realign Lyon CR 9 and construct five left-turn lanes. Update intersection of Hwy 23 and US Hwy 212 to meet ADA standards.

#7—Hwy 29—DETOUR
Replace the bridge on Hwy 29 over N. Parkway Dr. in Montevideo.

#8—Hwy 40—DETOUR (Carryover from 2019)
Replace the bridge on Hwy 40 (known as the Milan Bridge) over Lac qui Parle Lake west of Milan.

#9—US Hwy 59 and US Hwy 14
Slope repair and stabilization of road embankment at two locations on US 59 and three locations on US 14 in Redwood, Lyon and Murray counties. (Locations are marked with open red circles.)

#10—US Hwy 75—DETOUR
Resurface 22 miles of US 75 from Twp Road 127 (just north of US Hwy 212) to Hwy 7. Line culverts; upgrade sidewalks and pedestrian crossings in Bellingham. Start date to be determined, no later than May 17, 2021.

#11—US Hwy 75—DETOUR
Replace the bridge on US 75 over Pipestone Creek in Pipestone.

#12—Hwy 91—DETOUR (2-year project: 2019-2020)
Resurface Hwy 91 from Nobles/Murray County line to Russell. Replace bridges and repair culverts along project area. Upgrade sidewalks in Lake Wilson. District 7 is the lead.
