

## City Themes

## 2020 Streetscape Final Design Decisions

- The same style of metal benches and trash receptacles will be used.
- The existing light poles will be refurbished and reused. New LED smart lighting system will be incorporated.
- Bollards will be used to delineate off street parking areas.
- A 32" wide color concrete band will be used on the sidewalk, adjacent to the curb. There will not be a stamp in the concrete.
- Portable planters will be used throughout the downtown area.

## Existing Features

*Wrought iron bench*

*Trash receptacles*

*Banners, Pedestrian-scale and intersection lighting*

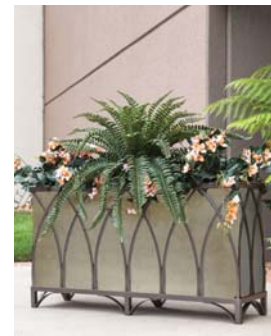

## New Features

*Wider colored concrete band in amenity zone*

*Fluted bollards*

*Wrought iron and tan planters*
