

GLENCOE TRANSPORTATION STUDY

HIGHWAYS 212 & 22

THANK YOU!

Over 800 people gave feedback regarding potential safety improvements on Highway 212 and Highway 22. Here's a quick summary of what we heard.

805

people responded to the on-line survey & participated in study events

Which safety improvements do you support along Hwy 212?

- A roundabout at the Chandler Ave and Morningside Dr intersections
- Additional turn lanes at Chandler Ave

Additional turn lanes at Chandler Ave

Roundabout at Chandler Ave

Roundabout at Morningside Dr

Top 5 Hwy 22 route priorities:

- Provide a route that is direct and less confusing.
- Provide a route that improves overall safety.
- Provide route that serves both personal and commercial drivers.
- Provide a route that reduces truck traffic in town.
- Provide a route that takes future growth & economic development into consideration.

Thank you for your continued involvement in the Glencoe Transportation Study. An open house with recommendations will be held in September. Look for more details in the near future.
