Clarification No.	Volume & Section	Question or Comment	Mn/DOT Response
4-1	5.2	What is the intent of this section, in terms of charts, exhibits, and other illustrative and graphical information?	<p>The wording in this section allows Proposers to use 11"x17" pages in their SOQ for charts, exhibits, and other illustrative and graphical information if needed to adequately display this information. These items can be also shown with text on the 8.5"x11" pages if a Proposer chooses to use that approach.</p> <p>If a Proposer elects to use 11"x17" pages, they shall be folded to 8.5"x11" size in the SOQ. Also, these pages count towards the 15 single-sided page limit.</p>
