Bridges of Mower County (I90)  
Design-Build Project  
S.P. 5080-156  
RFQ Clarification**

Date: 03/03/09

Clarification#: 7

| Clarification No. | Volume & Section | Question or Comment  | Mn/DOT Response   |
|-------------------|------------------|--|---|
| 7-1               | 3.3              | Section 3.3.1; allows for an individual to fill more than one position. As a follow-up to Clarification 5-1 does MnDOT have any restrictions on any of the Level A personnel performing more than one role on the project; either another Level A position or Level B position assuming the individual is qualified to perform the role(s) proposed? | No. However, the Key Personnel and Organizational Chart provided will be used in the qualitative assessment of the SOQ. |
