

**Minnesota Department of Transportation
 TH-52 Oronoco Design-Build Project
 S.P. 5508-84
 Response to Request For Clarification**

Date Requested: _____

RRFC#: 3

Clarification No.	Volume & Section	Question or Comment	Mn/DOT Response
3-1	N/A	<p><u>Mn/DOT Generated Comment:</u> The approved Environmental Assessment (EA) and Findings of Fact/Conclusions documents for the project have been posted to the Project ftp site and are available for download at:</p> <p>https://filetransfer.hntb.com/Login.jsp</p> <p>Username: district6 Password: th-52oronoco Filename: EA.zip</p>	
3-2	RFQ Sec 3.3.1 (d)	<p><u>Mn/DOT Generated Comment:</u> The requirements for project dates and % time on the job may be ambiguous.</p>	Submitters should include dates of experience and engagement for each Key Personnel's work example(s) included in the resumes, not just the dates of the project.
3-3	RFQ sec. 3.3.3 (f)	<p><u>Mn/DOT Generated Comment:</u> This RFQ section states that the Construction Quality Assurance Manager must work under the direct supervision of the Contractor's executive management team. This reporting relationship is incorrect.</p>	The Construction Quality Assurance Manager will work under the direct supervision of the Quality Manager. Modifications to the RFQ will be made by addendum.

Clarification No.	Volume & Section	Question or Comment	Mn/DOT Response
3-3	RFQ sec. 3.3.3 (b)	<p><u>Mn/DOT Generated Comment:</u> This RFQ section states, "...The Quality Manager may also act as the Construction Quality Assurance Manager or the Design Quality Assurance Manager...." . This statement may be ambiguous in terms of the Quality Manager filling both subordinate Quality Assurance positions.</p>	<p>The Quality Manager may act as <u>either</u> the Construction Quality Assurance Manager <u>or</u> the Design Quality Assurance Manager, but not both.</p>
