LIST INFORMATION				
1. All projects identified on this comprehensive list are subject to change and are not guaranteed to receive ARRA funding. 2. This list represents all local and trunk highway projects selected to be eligible to receive ARRA funding. 3. Project descriptions are subject to change. 4. The funding amount identified represents the estimate of ARRA funding identified for the specific project as of March 8, 2010, and is subject to change as the project develops. 5. The I-694 project in Metro has been identified to use ARRA funds made available by good bids on other Metro ARRA projects. The amount of ARRA funds on this project will increase as bid savings are realized.
