

Rail Safety Candidate Projects

The following is a list of projects or program categories the Department of Transportation has compiled for consideration in the event an economic stimulus package is approved by Congress in early 2009. Please note that this information is subject to change once the details of the economic stimulus package are known and it is important to recognize that not all projects or programs listed will be able to be funded. This compilation has not been prioritized and flexibility is important in order to meet the rules of eligibility and to use the stimulus dollars to their greatest extent.

	Location	County	Project	Railroad	Federal Funding		
1	Sturgeon Lake Road, Redwing	Goodhue	Grade separation	CP	\$8,000,000
