Dear Legislators:

I am pleased to present MnDOT's bridge program annual report as required by Minn. Stat. §165.14, Subd. 6.

As you know, MnDOT works to provide a safe, reliable and sustainable transportation system. Continued progress on improving the condition of the state's bridges is anticipated as MnDOT continues to implement the trunk highway bridge improvement program.

Please do not hesitate to contact me if you have any questions about this report, or you can contact Nancy Daubenberger in MnDOT's Bridge Office at Nancy.Daubenberger@state.mn.us or 651-366-4501.

Sincerely,
