Ranking Minority Member  
Senate Transportation and Public Safety  
Committee  
27 State Office Building  
Saint Paul, MN 55155

Dear Legislators:

I am pleased to present MnDOT's bridge program annual report, as required by Minn. Stat. 165.14, Subd. 6.

This report provides an update on the status of 172 state bridges, including 87 projects that are substantially complete, nine that will be complete by the end of 2014 and 41 that are scheduled to be under contract for work during 2015-2018.

As you know, MnDOT works to provide a multimodal transportation system that maximizes the health of people, the environment and our economy. Since last year's report, MnDOT developed the Statewide Performance Program and District Risk Management Program to help prioritize road and bridge projects. These programs will help ensure that MnDOT's bridge program continues to meet the state's needs for years to come.

Please do not hesitate to contact me if you have any questions about this report, or contact Nancy Daubenberger in MnDOT's Bridge Office at [Nancy.Daubenberger@state.mn.us](mailto:Nancy.Daubenberger@state.mn.us) or 651-366-4501.

Sincerely,

Charles A. Zelle  
Commissioner
