RE: 2015 Guideway Status Report

Dear Legislators:

MnDOT is pleased to provide you with the 2015 Guideway Status Report as required by Minnesota Statute 174.93, subdivision 2. This report was prepared by the department in collaboration with the Metropolitan Council.

This report updates information for eight guideway corridors currently in operation, construction or design, as well as 13 more that are in the planning or analysis phase that include four intercity passenger rail corridors. The capacity analysis looks at regional guideway funding needs and resources related to capital, operations and capital-maintenance for the next 10 years.

If you have specific questions about this report or wish additional information, please contact Victoria Nill at Victoria.nill@state.mn.us or at 612-251-1279.

Sincerely,

Charles A. Zelle
Commissioner
