Chief Executive Officer  
Carl Bolander and Sons Company  
251 Starkey St.  
St. Paul, MN 55107

Subject: Demolition/Debris Removal, Interstate 35W bridge over Mississippi River

Dear Chief Executive Officer:

Mn/DOT hereby requests that Carl Bolander and Sons Company perform all work necessary to provide demolition and debris removal related to the collapsed Interstate 35W bridge over the Mississippi River in Minneapolis. Work is to be performed as directed by Mn/DOT's Project Engineer within project limits to be identified by the Engineer. Work must also be performed consistent with lawful directives of the National Transportation Safety Board, Federal Bureau of Investigation, US Army Corps of Engineers, and others with lawful authority for recovery and investigative activities at the site.

Mn/DOT is authorized to direct this work by the Governor's declaration of a peacetime emergency.

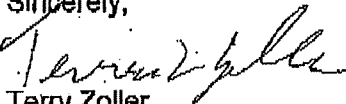

All work is to be performed in accordance with the Mn/DOT Standard Specifications for Construction, 2005 edition, except that sections 1201 through 1213, sections 1301 through 1304, and sections 1306 and 1307 will not apply.

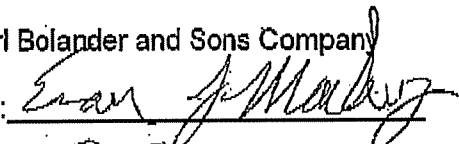

Payment for all work performed will be on a Force Account basis as per Mn/DOT Specification 1904.

I understand that you have verbally agreed to perform the above-described work, and that the work will be commenced immediately and prosecuted with all due haste.

Please acknowledge the above understanding with your signature on this letter.

Sincerely,

  
Terry Zoller
