

### Transportation District 1 - Duluth

1123 Mesaba Avenue, Duluth, MN 55811

John Hinzmann, Land Management 218-725-2760  
Kevin Sutherland, Surveys 218-725-2805

### Transportation District 2 - Bemidji

3920 Highway 2 West, Bemidji, MN 56601

Rod Gunderson, Land Management 218-755-6523  
Denise Watkins, R/W 218-755-6585  
Dan Domeier, Surveys 218-755-6533

### Transportation District 3 - Brainerd/Baxter

7694 Industrial Park Road, Baxter, MN 56425-8096

Kevin Schmidt, R/W 218-828-5801  
Kevin Metz, Surveys 218-828-5761

### Transportation District 4 - Detroit Lakes

1000 Highway 10 West, Detroit Lakes, MN 56501

Jeremy Flatau, R/W 218-846-7979  
Tom Harper, Surveys 218-846-7957  
Jeremy Erickson, Surveys 218-846-3632

### Transportation Metro - Twin City Area

Waters Edge Building, 1500 W. County Road B-2,  
Roseville, MN 55113-3174

Debra Anderson, R/W 651-234-7551  
Keith Crocker, R/W 651-234-7560

Golden Valley Office, 2055 N. Lilac Dr., Golden Valley,  
MN 55422

Brad Canaday, Surveys Manager 651-366-5105  
Matt Wernet, Surveys 651-366-5171

Oakdale Office, 3485 Hadley Ave. N., Oakdale, MN  
55128

Joe Hamlin, Surveys 651-366-4334

### Transportation District 6 - Rochester

2900 48th Street N.W., Rochester, MN 55901-5848

Mark Trogstad-isaacson, R/W 507-286-7607  
Keith Kallin, Surveys 507-286-7627

### Transportation District 7 - Mankato

2151 Bassett Drive, Mankato, MN 56001-6888

T. J. Thill, Land Management 507-304-6164  
Travis Shorter, Surveys 507-304-6178

### Transportation District 8 - Willmar

2505 Transportation Road, Willmar, MN 56201

Matt Schlager, Land Management 320-214-6359  
Mark Mortenson, Surveys 320-214-6355

### Central Office, Transportation Building

395 John Ireland Boulevard, St. Paul, MN 55155

### Office Of Land Management - Surveying & Mapping Section

Pete Jenkins, State Surveyor 651-366-3504  
John Barke, Geodetic Survey 651-366-3420  
Larry Sodergren, Legal Descriptions  
& Commissioner's Orders 651-366-3482  
Elliott Ruhland, R/W Platting 651-366-3491  
Jay Krafthefer, LIS & R/W Mapping 651-366-3463  
Cory Art, Survey Automation 651-366-3418  
Mike Lalla, Photogrammetry-Mapping 651-366-3466  
Ricky Holzer, GIS 651-366-3457  
Mehrtash Mehran, Planning 651-366-3434

### Real Estate & Policy Development Section

Joe Pignato, Assnt. Office Director 651-366-3503

### Office of Transportation Data & Analysis

Jeff Saholt, Geographic Information  
& Mapping Section 651-366-3885  
Peter Morey, Data Systems  
& Coordination (GIS Basemap) 651-366-3872

# SURVEY & LAND MANAGEMENT

MnDOT TRANSPORTATION DISTRICTS

THERE IS AN EFFORT TO MODERNIZE LAND RECORDS ACROSS MINNESOTA, PARTICULARLY TO CREATE PARCEL MAPS THAT COVER THE STATE. MnDOT IS JUST ONE OF THOSE INVOLVED. DATA ABOUT PARCEL OWNERSHIP IS REQUIRED FOR TRANSPORTATION RIGHT-OF-WAY ACQUISITION AND OTHER STATE LAND MANAGEMENT PURPOSES. THESE DAYS, NUMEROUS GROUPS AND AGENCIES IN MINNESOTA ARE CREATING DIGITAL LAND DATABASES.

THE MINNESOTA DEPARTMENT OF TRANSPORTATION PROVIDES THE FOLLOWING PRODUCTS, SERVICES AND CONTACTS TO HELP FOSTER THE EXCHANGE OF DIGITAL (GRAPHICAL) PARCEL INFORMATION.

## PARCEL RELATED INFORMATION AVAILABLE:

- GEODETTIC SURVEY CONTROL**  
A database of statewide information on Permanent geodetic control marks of horizontal and vertical positions for use in surveying, mapping and GIS/LIS activities.
- FIELD SURVEY DATA**  
MnDOT's District Survey Offices maintain field survey data on boundary, centerline, and right-of-way location and associated monumentation activities.
- RIGHT-OF-WAY PLATS**  
Recorded documents depicting proposed right-of-way acquisition that delineate boundaries, monumentation and related right-of-way parcel data.

- FINAL RIGHT-OF-WAY MAPS**  
Maps that graphically display information pertaining to the final boundary and right-of-way extents following completion of a road project.
- PARCEL FILE DATA**  
A collection of important documents relating to and supporting acquisition of the parcel. Certificate of surveys, appraisal data, attorney's certificate of title, instruments of conveyance, well information, photographs, parcel sketch, and field title reports are just a few of the potential items found in these files.
- STATE OF MINNESOTA BASEMAP**  
A map derived from the digitized "skeletal quad" files (1:24000 scale) and frequently used for GIS planning purposes.
- CORPORATE BOUNDARY MAPS**  
Maps that show detailed municipal corporate boundary information. Current state, county and municipal street maps; metropolitan area maps; and other low resolution base mapping that may be required for use in GIS/LIS, GPS and planning and programming activities are also available.

THESE MAPS AND RELATED DOCUMENTS ARE IN A VARIETY OF FORMATS, RANGING FROM PAPER TO SCANNED IMAGES TO CAD FILES TO GIS DATASETS. ALL ARE AVAILABLE TO POTENTIALLY ASSIST IN YOUR EFFORT TO MODERNIZE YOUR LAND RECORD SYSTEM.
