MnDOT Library Survey 2013

MnDOT Library is surveying our customers about our resources and services to learn what we are doing well and where we need to improve. Your feedback will be included as part of a larger evaluation of the library.

The survey has been designed so that all answers are anonymous. A report will be available when the project is completed.

We appreciate your taking 5-10 minutes out of your busy day to assist us.

For technical assistance with the survey, please contact Marilee Tuite at Marilee.Tuite@state.mn.us or 651-366-3797.

For questions about the survey, please contact Sheila Hatchell, MnDOT Library Director, at Sheila.Hatchell@state.mn.us or 651-366-3733.
