Circuit Trainer Assistance Program

The CTAP program is back on the road! Kathy Schaefer, CTAP Instructor, has been presenting the Asphalt Pavement Maintenance and Preservation class to cities, counties, and municipalities around the state. With fall and winter rapidly approaching, Kathy has begun preparing the Winter Maintenance-Snow and Ice Training for this season.

The CTAP program will host a display at the Fall Maintenance Expo on October 2nd and 3rd in St. Cloud, MN. Remember to stop in, meet Kathy, and discuss other training or information needs.

For more information about CTAP contact:
Kathy Schaefer at 651/282-2160
