**Test Bed Truck will
be in District 6A
Rochester this
month**

**Upcoming Events:
Spring Expo
April 24-25, 2002**

Implementation Has Begun

Truck mounted temperature sensors have been around since the start of the Salt Solutions program in 1996. These road surface temperatures have proven to be a very beneficial tool for the plow truck drivers to make the right decision at the right time. These sensors are now available on the state contract.

Maintenance Operations Research Biennial Report to be published in January 2002
