

# MONTHLY BULLETIN MARCH, 2003

## *N.T.R.E.C./M.O.R.*

**NEW TECHNOLOGY, RESEARCH AND EQUIPMENT  
COMMITTEE AND MAINTENANCE OPERATIONS RESEARCH**

### CTAP

**Kathy Schaefer is hard at it. Even with the “snow-less” winter she has been busy with the Snow and Ice classes.**

**Call her for a list of Spring Classes available Asphalt Pavement Maintenance Erosion Control and Roadside Vegetation (651) 282-2160**

### Upcoming Events:

**Spring Expo  
April 22 and 23rd at  
the St Cloud Civic  
Center**

**ATTSA Conference,  
March 18th and 19th  
Fargo-Morehead.**

### EL Conspicuity Enhancement Project

The Stay Back Stay Alive project that started in Metro has been a useful tool in bringing a message to the traveling public throughout the state. This new illuminated Stay Back Stay Alive sign is meant to dramatically improve the visibility of Mn/DOT vehicles especially during snowplowing operations. Hopefully this sign will reduce accidents involving Mn/DOT and the traveling public.
