Scag Commercial Mower Warranty

2 Year Commercial Machine Warranty:

This warranty covers manufacturing defects for two years, including parts and labor (excludes wear items).

3 Year Cutter Deck Warranty:

Scag Velocity Plus and Advantage cutter decks continue to be the strongest and best performing in the industry. We cover them against manufacturers defects for three full years. These reliable decks are built to hold up under extreme conditions with features like the Tri-Plate deck top. Applies to commercial and non-commercial use.

3 Year Cutter Deck Spindle Warranty:

Most Scag mowers are equipped with the exclusive Scag heavy-duty cutter blade spindle. Scag spindles have a cast-iron housing for increased shock load strength and tapered roller bearings for 50% more load-carrying capacity than ball bearings. For easy maintenance and seal protection, our grease fittings are top-mounted and have a grease relief valve to prevent over greasing. We ensure our spindles dependability, not only through its top-quality construction, but also through complete coverage of parts and labor for the first and second years, and parts only for the third year. Applies to commercial and non-commercial use.

Wear items including drive belts, blades, hydraulic hoses, tires, batteries and rental use are warranted for 90 days

- Wear items including impellers, wear liners, nose cones, hoses, bearings and tires are not included in this warranty.
- Frame, blower housing and structural components are warranted for two (2) year (parts and labor) for commercial and non-commercial use.

- Any Scag Giant-Vac product used for rental purposes is covered by a 90 day warranty.

The Scag Giant-Vac Truck Loader, including any defective part must be returned to an Authorized Scag Giant-Vac Service Dealer within the warranty period. Scag Giant-Vac's responsibility is limited to making the required repairs and no claim of breach of warranty shall be cause for cancellation or rescission of the contract of sale of any Scag Giant-Vac product. "Non-Commercial" use is defined as a single property owner, where the single property is the residence of the owner of the Scag Giant-Vac product. If the truck loader is used on more than the owners single property, it is deemed commercial use and the "non-commercial" warranty does not apply. Scag Giant-Vac reserves the right to deny and / or void the non-commercial warranty if it believes it to be in commercial use.

This warranty does not cover any product that has been subject to misuse, neglect, negligence, or accident, or that has been operated in any way contrary to the operating instructions as specified in the Operator's Manual. The warranty does not apply to any damage to any truck loader that is the result of improper maintenance, or to any truck loader or parts that have not been assembled or installed as specified in the Operator's Manual and Assembly Manual. The warranty does not cover any truck loader that has been altered or modified, changing performance or durability. In addition, the warranty does not extend to repairs made necessary by normal wear, to items subject to abrasion wear, or by the use of parts or accessories which, in the reasonable judgment of Scag Giant-Vac, are either incompatible with the Scag Giant-Vac Truck Loader or adversely affect its operation, performance or durability.

Scag Giant-Vac reserves the right to change or improve the design of any product without assuming any obligation to modify any product previously manufactured. All other implied warranties for truck loader are limited in duration to the two (2) year warranty for commercial and non-commercial use or ninety (90) days used for rental purpose. Accordingly, any such implied warranties including merchantability, fitness for a particular purpose, or otherwise, are disclaimed in their entirety after the expiration of the appropriate warranty period. Scag Giant-Vac's obligation under this warranty is strictly and exclusively limited to the repair or replacement of defective parts and Scag Giant-Vac does not assume or authorize anyone to assume for them any other obligation. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.
