8.219	A. Service/Utility Body	48" to 55"	40"
8.220	B. Service/Utility Body	56" to 61"	46"
Please provide body openings and bed height measurements when ordering.			

**LIFTGATE INFORMATION**

- For most applications with body openings from 48" to 55", the Model 54 liftgate is a better option.
- For truck bodies with wide body openings and a bed height between 40" & 46", the Model 64SB liftgate is the best option.
- Tommy Gate Service/Utility Body Series liftgates are compatible with many frame-mounted receiver-style trailer hitches.
