**NOTE: KSS® Service Bodies are not designed for medium duty chassis applications.  
Not compatible with tires larger than 34" in diameter.**

**On 2003 & later 56" CA Dodge, the KSS models with the "-F" suffix may be used if the round fender cutout is desired to better match the Dodge front fender cutout.**

**On 2007 & later Dodge 60" & 84" CA chassis, the "-F" models are recommended, because they have the standard rear full filler for the standard rear tank used on these Dodge chassis.**

Units are assembled & have prime paint exterior. Interior is painted with light gray finish that reflects light.

**Note: Bumpers optional and not included in above price. See option section for bumper availability.**

See Option section for other fuel fill location options.

**Prices include the following standard features:**

- One (1) tailgate installed.
- One (1) mounting kit, Knapheide's Quick Mount brackets designed to comply with FMVSS-301 requirements.
- Stop, turn, tail, clearance lights (where applicable) and wire harness are factory installed in body. License light and RIB lights (where applicable) included in bumper mounting kit for installation in bumper (optional).
- Two (2) adjustable divider shelves & dividers, street & curb side front vertical compartment.
- Two (2) adjustable divider shelves & dividers, second front vertical compartment on 84" CA bodies.
- One (1) adjustable divider shelf & dividers, street & curb side rear vertical compartment.
- One (1) adjustable divider shelf & dividers, curb side horizontal compartment.
