

## Opportunity Knocks!

### MnDOT I-94 Reconstruction Minneapolis to Brooklyn Center Road Resurfacing and Bridge Repair Project 2017–2018 Construction Seasons

#### Seeking Businesses

This event is specifically designed to inform women-, minority- and veteran-owned small businesses of the contracting opportunities that will be available to manage and construct this project.

#### About the Project

This two-year-long project consists of resurfacing almost nine miles of pavement on Interstate 94 between Nicollet Avenue in Minneapolis and Shingle Creek Parkway in Brooklyn Center. It is expected to cost \$50 million.

#### Additional work on I-94 will include:

- Repairing 53 bridges on or over I-94
- Reconstructing westbound I-94 bridge deck over Hwy 252
- Replacing corridor lighting
- Repairing tile in (I-94) Lowry and Portland Avenue tunnels
- Replacing guardrail
- Improving drainage and concrete barrier in areas

**Bids open January 20, 2017.**

#### Minnesota's Commitment to Diversity and Inclusion

The State of Minnesota is committed to diversity and inclusion in its public procurement and hiring process. Our goal is to ensure that those providing goods and services to the state are representative of Minnesota's communities and include businesses owned by minorities, women, veterans and those with substantial physical disabilities.

Creating broader opportunities for historically under-represented groups provides for additional options and greater competition in the marketplace, creates stronger relationships and engagement within the state's communities and fosters economic development and equality.

#### Get Certified for MnDOT Projects

The Minnesota Department of Administration operates a program for Minnesota-based small businesses owned by minorities, women, veterans and those with substantial physical disabilities. For additional information on this program, or to determine eligibility, please call 651-296-2600 or go to [www.mmd.admin.state.mn.us/mn02001.htm](http://www.mmd.admin.state.mn.us/mn02001.htm).
