Re: In the matter of the appeal of Public Waters Permit No. 2010-0117
Issued to MNDOT for Load Testing
OAH Docket No. 11-2000-21160-2

Dear Judge Neilson:

I hereby withdraw my objection to Public Waters Permit No. 2010-0117 and the February 8, 2010 letter to MnDNR objecting to the issuance of the permit and demanding a contested case hearing under Minn. Stat. § 103G.311, subd. 5.

It is my impression that the practical application to issues raised by the permit have now been rendered academic and although a hearing could proceed to determine the legal merits of that former permit there would be no practical impact to be applied to future permits.

Sincerely,

David Beaudet
Mayor
City of Oak Park Heights
