

Geotechnical Meeting Minutes

June 16^h, 2016 12:30pm-1:30pm

Introduction

- Meeting update – Cassandra will be sending a meeting notice to all members, all meetings have been switched from Lync to WebEx.
- Ben went over the approved tech transfer budget with the group. The budget was approved by the executive committee last week and will be posted on the tech transfer team page.

Research Ideas

- Team went over the most updated research ideas list.
 - Wisconsin and Minnesota added their top 5.
 - Associates added their top 5.

To do:

- Monday 20th (noon) - Members are to review list and add new lines / suggest duplication to combine.
- Wednesday 22nd (noon) - MnDOT will combine comments and update list online.
- Monday 27th (end of day) - Members are to prioritize top 3/5 areas in the three columns.
- Wednesday 30th - MnDOT will combine prioritization for discussion at the next meeting
