

Announcements for Student Travel Tally Week

September 14-18

How to use:

Use these announcements to make both students and parents aware of **Student Travel Tally Week**. Scripts for two types of announcements are included: one for students in the classroom (or during school assemblies) and one for parents during at-school events. The scripts can be used or modified as needed.

For students:

For parents at a school event:

For more information, contact:

Minnesota Safe Routes to School combines the expertise of multiple state agencies together with national and local partners to provide parent, school and community groups with the resources needed to support walking and biking to school.
