Password Registration: Register Your Answers

You must answer at least 5 questions to register.

Each answer must contain at least four characters, and no two answers may be the same.

What is your favorite color

What is your favorite car

What is a meaningful date

What is your Mother's maiden name

What is the name of the street you grew up on

What is the first name of your childhood best friend

What was your first car

What is the name of your Elementary School

What is your favorite book

Where is your favorite place to vacation

The responses you provide are stored by your organization in Forefront Identity Manager.

Figure 5-Verify Your Identity: Submit Your Answers

Select the Option you wish to use – **Account Unlock** or **Password Reset**

UNLOCK OPTION

If you select the **Account Unlock** option --

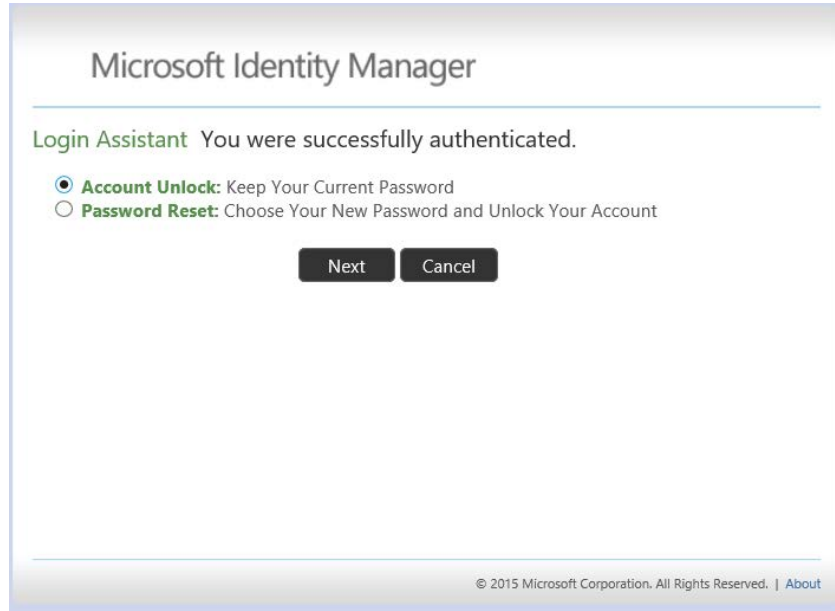

Figure 6-Login Assistant: You were successfully authenticated (Account unlock or Password Reset)

Then click on **NEXT**

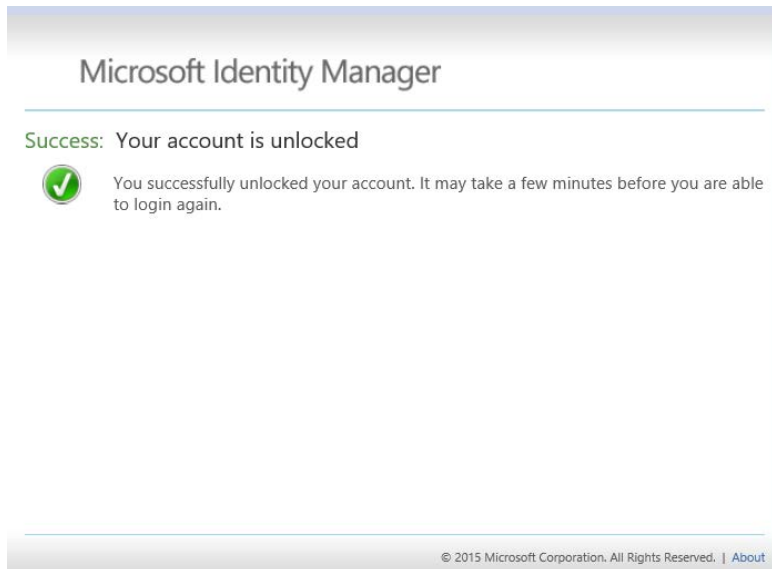

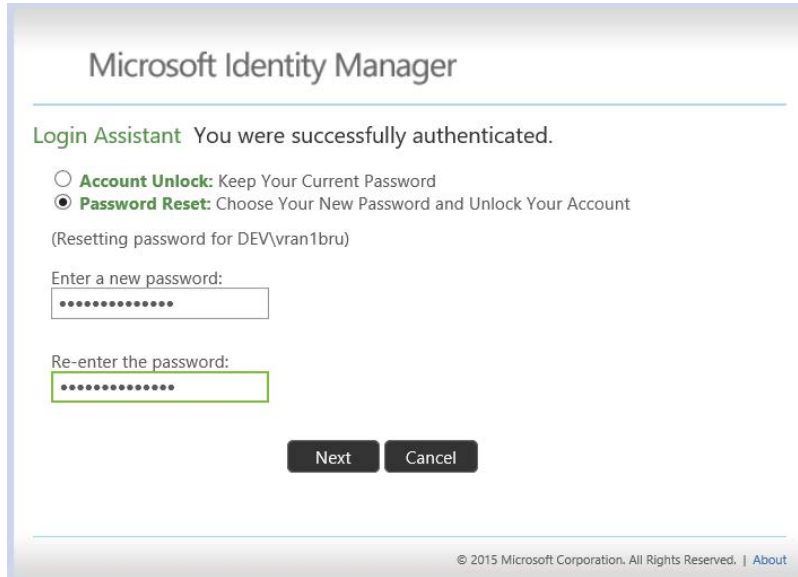

Figure 7-Success: Your account is unlocked

If you selected the **Password Reset** option ...

Password Reset Option

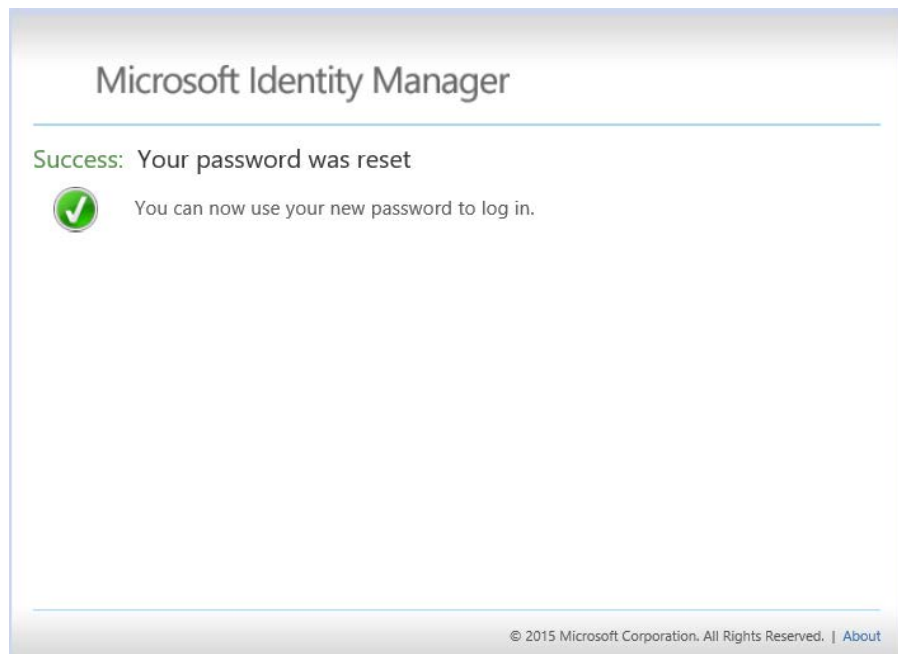

The password you select must meet the Password Complexity criteria. If the password you chose meet the **Password Complexity Criteria - must contain Upper, Lowercase, numbers *....** (Ultra7Magic)

The screenshot shows the Microsoft Identity Manager interface. At the top, it says "Microsoft Identity Manager". Below that, a "Login Assistant" message states "You were successfully authenticated." There are two radio button options: "Account Unlock: Keep Your Current Password" and "Password Reset: Choose Your New Password and Unlock Your Account". The "Password Reset" option is selected. Below the options, it says "(Resetting password for DEV\vrn1bru)". There are two text input fields: "Enter a new password:" and "Re-enter the password:", both containing masked characters. At the bottom, there are "Next" and "Cancel" buttons. A copyright notice "© 2015 Microsoft Corporation. All Rights Reserved. | About" is visible at the bottom right.
