Note: To meet Federal public review requirements, you must have your Formal STIP amendments entered in CHIMES at least eight (8 days) prior to the date we have scheduled for the regular monthly Formal Amendment batch submittal to FHWA. This will allow for the proposed Amendment to be posted on our website in time to meet the seven (7) day public review obligation.

FTA amendments do not follow this schedule and are reviewed and sent in batches to FTA as needed.

These dates are tentative and could change.
