Westbound Hwy 62 Weekend Closure at Eastern Junction: October 9-10

All westbound lanes of Hwy 62 at the eastern junction of I-35W are tentatively scheduled to close at 10:00 pm on Friday, October 9 through 5:00 pm on Saturday, October 10. Eastbound Hwy 62 and northbound I-35W will remain open during the closures. Motorists will also be able to access northbound I-35W from westbound Hwy 62 during the closure. The closure is needed for bridge demolition in the eastern junction.

Motorists should follow the posted detour route:

- Hwy 62 West to Cedar Ave South to I-494 West to I-35W North to Hwy 62 West

Southbound I-35W Ramp to Eastbound Hwy 62 Open this Weekend

The southbound I-35W ramp to eastbound Hwy 62 will remain **OPEN** this weekend. The ramp was originally scheduled to be closed starting on the evening of October 9 in order to move traffic onto one of the new segmental bridges, but crews were able to complete the traffic switch earlier than expected.

60th Street at I-35W Nighttime Closure: October 13

60th Street at I-35W is scheduled to close starting at 10:00 pm on Tuesday, October 13 through 5:00 am on Wednesday, October 14. The closure is needed for bridge painting activities. The 60th Street freeway ramps and I-35W will remain open during the closure. Motorists should follow the posted detours routes.

I-35W and Westbound Hwy 62 Weekend Closure – October 16-19

All lanes of southbound I-35W, between I-94 and Hwy 62, and all northbound lanes of I-35W at the eastern junction of Hwy 62 are tentatively scheduled to close beginning at 10:00 pm on Friday, October 16 through 5:00 am on Monday, October 19. In addition, all lanes of westbound Hwy 62, between the eastern junction of I-35W and Hwy 121 are scheduled to close during the same time period. The closures are needed for bridge demolition in the eastern junction, bypass construction, and to re-route traffic onto the new segmental bridges in the eastern junction. Eastbound Hwy 62 will remain open during the closures and motorists will still be able to access northbound I-35W from westbound Hwy 62.

Motorists should follow the posted detour routes:

- Southbound I-35W: I-394 West to Hwy 100 South to Hwy 62 East to I-35W/South
- Northbound I-35W: Hwy 62 West to Hwy 100 North to I-394/I-94 East
- Westbound Hwy 62: Hwy 62 West to Cedar Ave South to I-494 West to I-35W North to Hwy 62 West

Upcoming I-35W Major Traffic Changes

After the October 16-19 weekend closure, the following **major** traffic changes will be in affect along southbound I-35W:

- Motorists wishing to access eastbound Hwy 62 will now need to be in the **left lane**.
- Motorists wishing to access westbound Hwy 62/southbound I-35W will need to use the two **right traffic lanes**.

Hwy 121/Lyndale Ave ramp to southbound I-35W Closing on October 19

The Hwy 121/Lyndale Ave entrance ramp to southbound I-35W is tentatively scheduled to close at 6:00 am on Monday, October 19 through the summer of 2010. At that time, all southbound traffic along Hwy 121 will be directed to westbound Hwy 62. Pavement demolition along northbound Hwy 121 will resume after the entrance ramp closes.

Exit Ramp to Lyndale Ave Re-opening October 19

The exit ramp to Lyndale Ave is tentatively scheduled to re-open during the weekend of October 16-19. During the same time period a traffic switch will occur along westbound Hwy 62 moving traffic onto the newly constructed lanes. The Lyndale exit ramp is expected to be open by 5:00 am Monday, October 19. At this time, the exit ramp will only be accessible for motorists traveling along southbound I-35W. Motorists along westbound Hwy 62 will need to continue to use the current detour routes to access Lyndale Ave. The exit ramp will be accessible from both southbound I-35W and westbound Hwy 62 once the project is completed in 2010. The newly constructed Lyndale Ave entrance ramp to westbound Hwy 62 is scheduled to open in fall of 2010.

Upcoming Lyndale Ave Closure – October 19-22

Lyndale Ave, between 61st Street and 63rd Street, is tentatively scheduled to close at 10:00 pm on Monday, October 19 for demolition of the Hwy 62 bridge over Lyndale Ave. Bridge demolition activities will occur during both daytime and nighttime hours during the closure. Lyndale Ave is scheduled to re-open by 5:00 am on Thursday, October 22.

60th Street Entrance Ramp to Northbound I-35W Closing October 22

The 60th Street entrance ramp to Northbound I-35W is scheduled to close at 10:00 pm on Thursday, October 22 until summer of 2010. During this same time period, traffic traveling along northbound I-35W and along westbound Hwy 62 to northbound I-35W will be re-routed onto the southbound lanes of I-35W.

I-35W and Hwy 62 Nighttime Lane Closures

Watch for periodic nighttime lane closures on I-35W from downtown Minneapolis 66th Street and on Hwy 62 between 8 pm and 6 am. For up-to-date information on highway construction traffic, detours and delays call 511 or go to www.511mn.org.

Project Areas

Areas along I-35W

46th Street Bridge Area

The 46th Street Bridge is open to traffic and pedestrians. The northbound I-35W exit and entrance ramps to 46th Street are open as well. Noise wall painting, paving activities, and lighting installation along the southbound freeway ramps continues this week.

Opening of 46th Street Freeway Ramps Along Southbound I-35W Re-Scheduled: October 23

Due to recent inclement weather, the opening of the 46th Street entrance and exit ramps have been tentatively re-scheduled for 5:00 am on Friday, October 23. The corresponding traffic switch, for southbound I-35W traffic (between 42nd Street and 50th Street) to be re-routed onto the "new" southbound lanes of I-35W, has also been re-scheduled for the evening of Saturday, October 17. The remaining northbound I-35W traffic will be re-routed to the "new" southbound lanes of I-35W in early November.

50th Street Bridge Area

The 50th Street Bridge is open to traffic and pedestrians.

Closures Resume for Minnehaha Parkway and Creek

Intermittent closures of Minnehaha Parkway and Creek at I-35W have resumed and will continue through mid-October. Water traffic will not be allowed on Minnehaha Creek during the parkway closures. At least one pedestrian or bike path along Minnehaha Creek at I-35W will remain open during the closures; however, the path may be intermittently closed to safely conduct work.

Motorists should follow the posted detour route. The closures are needed for bridge demolition of the I-35W bridge above the parkway. Bridge demolition and reconstruction will continue through the fall and winter.

Diamond Lake Road Bridge Area

The Diamond Lake Road bridge and all freeway entrance and exit ramps are open. Newly constructed noisewalls along northbound I-35W will be painted in spring 2010.

60th Street Bridge Area

The 60th Street entrance ramp to northbound I-35W is scheduled to close at 10:00 pm on Thursday, October 22 until summer of 2010. During this same time period, traffic traveling along northbound I-35W and along westbound Hwy 62 to northbound I-35W will be re-routed onto the southbound lanes of I-35W. The sidewalk on the south side of 60th Street remains closed.

60th Street at I-35W Nighttime Closure: October 13

60th Street at I-35W is scheduled to close starting at 10:00 pm on Tuesday, October 13 through 5:00 am on Wednesday, October 14. The closure is needed for bridge painting activities. The 60th Street freeway ramps and I-35W will remain open during the closure. Motorists should follow the posted detours routes.

I-35W/Hwy 62 Junctions

Western Junction of I-35W and Hwy 62

Bridge work continues at the western junction of Hwy 62 and I-35W.

Eastern Junction of I-35W and Hwy 62

Bridge demolition work continues at the eastern junction of I-35W and Hwy 62.

Westbound Hwy 62 Weekend Closure at Eastern Junction: October 9-10

All westbound lanes of Hwy 62 at the eastern junction of I-35W are tentatively scheduled to close at 10:00 pm on Friday, October 9 through 5:00 pm on Saturday, October 10. Eastbound Hwy 62 and northbound I-35W will remain open during the closures. Motorists will also be able to access northbound I-35W from westbound Hwy 62 during the closure. The closure is needed for bridge demolition in the eastern junction.

Motorists should follow the posted detour route:

Hwy 62 West to Cedar Ave South to I-494 West to I-35W North to Hwy 62 West

Southbound I-35W Ramp to Eastbound Hwy 62 Open this Weekend

The southbound I-35W ramp to eastbound Hwy 62 will remain **OPEN** this weekend. The ramp was originally scheduled to be closed starting on the evening of October 9 in order to move traffic onto one of the new segmental bridges, but crews were able to complete the traffic switch earlier than expected.

Areas along Hwy 62

Penn Ave Bridge Area

Retaining wall construction continues along westbound Hwy 62, between Penn Ave and James Ave including the westbound Hwy 62 exit ramp to Penn Ave.

Hwy 121

The Hwy 121/Lyndale Ave entrance ramp to southbound I-35W is tentatively scheduled to close at 6:00 am on Monday, October 19 through the summer of 2010. At that time, all southbound traffic along Hwy 121 will be directed to westbound Hwy 62. Pavement demolition along northbound Hwy 121 will resume after the entrance ramp closes.

Lyndale Ave Bridge Area

The eastbound Hwy 62 exit ramp to Lyndale Ave is now open. The Lyndale Ave entrance ramp to eastbound Hwy 62 has been postponed until further notice. The westbound Hwy 62 exit ramp to Lyndale Ave is tentatively scheduled to re-open on October 19. At this time, the exit ramp will only be accessible for motorists traveling along southbound I-35W. Motorists along westbound Hwy 62 will need to continue to use the current detour routes to access Lyndale Ave. The exit ramp will be accessible from both southbound I-35W and westbound Hwy 62 once the project is completed in 2010.

Upcoming Lyndale Ave Closure – October 19-22

Lyndale Ave, between 61st Street and 63rd Street, is tentatively scheduled to close at 10:00 pm on Monday, October 19 for demolition of the Hwy 62 bridge over Lyndale Ave. Bridge demolition activities will occur during both daytime and nighttime hours during the closure. Lyndale Ave is scheduled to re-open by 5:00 am on Thursday, October 22.

Soo Railroad (between Lyndale Ave S and Nicollet Ave S)

Noise wall work and lighting installation along westbound Hwy 62 continues. Pavement demolition along eastbound Hwy 62 also continues.

Nicollet Ave Bridge Area

Gas line relocation work continues along Nicollet Ave, and pavement demolition along eastbound Hwy 62 continues.

Neighborhood Updates

Road Reconstruction

Minneapolis

Stevens Avenue between 42nd Street and 50th Street

Reconstruction activities continue along Stevens Ave. Roadway paving of Stevens Ave in this area has been re-scheduled for the week of October 19 due to continuing inclement weather. Noise wall painting and paneling continues north of 46th Street through October. Stevens Ave is scheduled to re-open in late fall of 2009.

Richfield

Eastbound Hwy 62 Service Roads

Reconstruction of the Richfield service roads along eastbound Hwy 62 continues. Continuing inclement weather has caused placement of the next layer of pavement to be re-scheduled for the week of October 19.

Road Closures

2nd Ave between Minnehaha Parkway and Luverne Ave

2nd Ave between Minnehaha Parkway and Luverne Ave is closed through approximately June 2010 for the demolition and reconstruction of the northbound I-35W bridge over Minnehaha Parkway. Motorists should follow the posted detours during the closure.

Stevens Ave between 42nd Street and 50th Street

- Between 42nd and 48th Street — closed for wall and road work in multiple locations.
- Between 48th and 50th Street – closed during daytime hours, but open to local traffic at night – *Driveway access will be maintained for residents along Stevens Ave and along East Rustic Lodge*

Columbus Avenue at East 61st Street

Columbus Avenue at East 61st Street is closed for approximately six weeks for utility work. Parking along East 61st Street near Columbus Ave is not allowed during the closure.

Oliver Avenue at West 62nd Street

Oliver Avenue at West 62nd Street is closed through mid-October for water main work in the area. Parking along Oliver Ave near W. 62nd Street is not permitted during the closure.

Knox Avenue and James Avenue (alley closure)

The alley along westbound Hwy 62 from approximately Knox Ave to James Ave is closed until November. The closure is needed for area utility work and for the construction of retaining walls along westbound Hwy 62.

Nighttime Construction Activities

Nighttime construction activities are needed in order to complete the project work within schedule and when lane closures on the freeways are allowed. The following areas are scheduled to have nighttime construction activities between 8 pm and 6 am:

Eastern Junction

Activities: Bridge demolition
Duration: October 9-10
