# Minnesota Dumpstation Listing

Dear Motorist:

The Minnesota Department of Transportation is pleased to provide this information as a service to you. The attached list of dumping stations in Minnesota was last comprehensively updated in the Summer of 2009. We recommend that you call facilities that you intend to visit beforehand to confirm that facilities remain open for business and to confirm other information, we have provided in this list.

This document is available digitally via the Internet. You can download the file in Acrobat (PDF) format from the following Web site:

[www.dot.state.mn.us/restareas/dumpstationlist/pdf/dumpstationslist.pdf](http://www.dot.state.mn.us/restareas/dumpstationlist/pdf/dumpstationslist.pdf)

If you have any questions, or wish to notify MnDOT of changes to the listing, please contact me by mail, phone or email as listed in the letterhead.

Sincerely,

Robert H. Williams  
Rest Area Program Manager

### **NOTE TO FACILITIES OFFERING DUMPSTATION SERVICES:**

MnDOT may include additional facilities offering dumpstation services as they are identified. Operators that want their facilities included in this dumpstation list must forward the following information to MnDOT.

- Facility Name
- County
- Nearest Municipality
- Phone Number
- Location Description (including route and distance from interchange or city)
- Website URL (optional)
- Season of Operation (e.g. May - Sept)
- Is there a charge for using facility? YES / NO
- Comments (e.g. no charge with gas purchase....)

Operators must forward information to the Rest Area Program Manager by US Mail or by email at the location listed in the letterhead.
